Namaste and Ni Sa Bula to one and all.

On behalf of the management and staff of Bhawani Dayal Arya College, I would like to thank you for your continuous support and for encouraging your children to resume schooling which has allowed the students to continue with their education. With your collaboration and support, we are optimistic that we will be able to provide the best quality education and holistic learning to your children.

1. COVID 19 Precautionary Measures

It is mandatory to follow all COVID 19 precautionary measures for the safety of our students and teachers. COVID safety messages are displayed inside all the classrooms as well as around the school. Students are continuously reminded about the precautionary measures during morning and afternoon form time and during syndicate assemblies. Students are also reminded to wash their hands before entering the classrooms. Multiple wash stations are available to avoid overcrowding of students.

2. Entry into the School Premises

Screening stations have been set up at both entry points. Temperature check is compulsory for all students, teachers and visitors. Anyone with a temperature above 37.5 °C and those who appear symptomatic will be denied entry. All visitors must show their vaccination cards and entry will only be granted if the person is fully vaccinated. Masks should be worn at all times. **No mask no entry** policy is strictly followed.

3. Text Book Return

Parents/Guardians are requested to remind the students to return all the text books to the subject teachers. All text books issued to the students remain the property of the college and should be returned in proper condition. In case the book is lost or damaged, it should be replaced within the collection period.

4. Literacy Program

Parents are reminded that the literacy program has resumed from 07/03/2022 and is being conducted from 7.45 am to 8.00 am every morning. The objective of the program is to provide additional support to students which will enable them to improve their literacy skills.

These items will be confiscated and returned to the parents if found in possession by the students. The school will not be responsible for any loss or theft of these items.

7. Social Media/Online Games

Parents are requested to be more vigilant and ensure that students do not spend too much time on social media. It has been brought to our attention that some students spend a lot of time playing games or posting pictures online. We will be strictly monitoring students

to ensure that they do not post pictures or videos in school uniform. In case any such videos or pictures are brought to our attention, parents will be called and students will be asked to delete them immediately.
