## TEN PRINCIPLES OF ARYA SAMAJ

1. Of all true knowledge and whatever is known from knowledge, the Primary cause is Highest Lord i.e., GOD.
2. God is existent, intelligent and blissful. He is formless, unequalled, the kind, unborn, endless, unchangeable, beginning less, the support of all, the master of all fearless, eternal, holy and creator of the Universe. He alone is the worthy of worship.
3. The VEDAS are the books of all true knowledge. It is the paramount duty of all Aryas to read them, to teach them, to hear them and to preach them.
4. One should always be ready to accept truth and give up untruth.
5. Everything should be done according to Dharma, that is after considering what is truth and what is untruth.
6. The chief object of the Arya Samaj is to do good to the world, i.e. to make physical and social improvement.
7. We should treat all with love and justice according with dictates of Dharma.
8. We should dispel ignorance and diffuse knowledge.
9. One should not be content with ones own welfare alone, but should count the progress of all as one's own.
10. Everyone should consider oneself as bound in obeying social and all benefiting rules, but everyone is free in matters pertaining to individual well - being.

other materials give us peace. May peace itself be  
peaceful. O God! May we also receive such  
peace through your grace.*

*Om Shantih Shantih Shantih*

## BHAWANI DAYAL ARYA COLLEGE

### VISION

Our vision is that Bhawani Dayal Arya College will become the center of wholesome learning and be capable of producing students who will rise above the ordinary and become model citizens of Fiji in the new millennium.

### MISSION

To provide a conducive learning environment in which the teachers and students reach their full potentiality in pursuit of academic excellence.

**Bhawani Dayal Arya College** is a very large school governed by the Arya Pratinithi Sabha of Fiji. This school is situated at Nakasi. The current school roll is 828 with 45 academic staff and 7 ancillary staff.

Bhawani Dayal Arya College when established in 1972 was known as Bhawani Dayal High School. The college is named in the memory of a great freedom fighter for Indians in South Africa Swami Bhawani Dayal Sanyasi.

Swami Ji was also a great champion of rights of Indians. He was born in Johannesburg on 10th September, 1982 and died on 9th May 1950.

The school had started in a temporary shed in Bhawani Dayal Memorial Primary compound with 28 students and 2 teachers. The foundation of a new building was laid by Pt. Raghwa Nand MBE (President of Arya Samaj) on 15th August, 1972. The school was officially opened by the Permanent Secretary for Education Mr Filipe Bole on 3rd April, 1976 with 388 students and 17 teachers.

In 1980, a new canteen and the only quarters attached to the school was constructed.

The growing population in the Nakasi area pushed the Samaj to add new classrooms. The foundation for a double storey (Southern Wing) for which the foundation stone was laid by Mr Shiu Pal Nandan in 1981 was opened in 1983 by Dr. Ahmed Ali, Minister for Education and Youth.

A very important addition to the college – the multi craft workshop was made by the Ministry of Education in 1982. Another classroom was added to this building in 1988. Currently, the multi- craft has been abolished because of diminishing number of students and these buildings have been renovated to cater for Industrial Arts Department. In 1984, Form 6 was introduced at the college and in 1989 the College was upgraded to level 1 status. In 1993, form 7 education was introduced taking the College to a new height.

Then in 1990, the Industrial Arts workshop was constructed. Five new classrooms together with a new toilet block was completed in 1993. (L- shaped Southern Wing).

In 1992, Cadet training began but was abandoned two years later due to some financial difficulties. The school changed its name in the year 1997 during the silver Jubilee celebrations. Due to demand for intake in the school, another L – shaped building in Northern Wing (consisting of classrooms and a special Hawan room) was constructed. The pressure for admissions at form 7 level saw the completion of the Central Wing with 3 Classrooms.

Today Bhawani Dayal Arya College has a total 24 streams. There are 5 streams each at Year 9 to 12 levels and 4 streams at Year 13 level.

## SWAMI BHAWANI DAYAL SANYASI

**Swami Bhawani Dayal Sanyasi** was born in Johannesburg, South Africa on September 10, 1892.

When his father returned to India in 1904, Swami ji accompanied him and for nine years lived here making a special study of Hindi.

It was while he was in India that his patriotism developed. He got involved in the Swadeshi Movement and was elected an honorary preacher of the Arya Pratinidhi Sabha of Bihar at 18 years of age. In 1913, Swami ji together with his wife Jagrani Devi, joined Mahatma Gandhi's passive resistance movement and spent some time in jail. The annual session of the Indian National Congress at Amritsar in 1919 saw him represent the South African Indians. He also played a vital role in the revival of the Natal Indian Congress in 1921.

Swamiji's wife worked selflessly alongside him in the course for Indians and was in one time imprisoned with their six – month – old child. After her death he took vows of a Sanyasi . Swami ji tried to better the lives of the Indians in Africa by serving as an important person for a number of bodies. For example, he was the President of the first Indian Overseas Conference held in 1930 and President of Natal Indian Congress.

Swami ji was held in such high esteem in South Africa that the Durban Corporation named a road in Clair-wood after him. He was also appointed Commissioner of Oaths for Durban and an honorary Indian Probation officer in Durban Court.

In addition to fighting for the rights and better living conditions for the Indians abroad, Swami ji was a strong advocate of the propagation of Hindi both in India and in South Africa. It was through him that in South Africa Hindi became the official language along with English and Afrikaans. He also stressed the need to have Hindi as a common language to replace English for India's political unity.

A tireless worker, Swami ji also gained prominence as an author and a journalist. He served as an editor of several newspapers and wrote many books in Hindi.

Swami Bhawani Dayal Sanyasi's love for countrymen, his culture and language saw him rise above the level of an ordinary common man. He has left behind a legacy of patriotism, wisdom and tireless efforts of which we all can be proud.

# Editorial

It is with immense pleasure and pride that I introduce this year's edition of the Annual Magazine 'Eureka.' As the Chairperson, I have had the distinct honor of witnessing the creativity, enthusiasm, and unwavering spirit of our students and faculty throughout this academic year. Our theme, "Elevating Excellence: Nurturing Success in 2024," serves as a reflection of the extraordinary journeys we have undertaken together.

Our college has demonstrated extraordinary determination in adapting to new learning environments, embracing technology, and finding creative solutions to unexpected hurdles. The articles, artwork, and insights compiled in this magazine epitomize this very spirit, showcasing the vibrant tapestry of ideas and experiences that define our school.

Within the pages of Eureka, you'll find contributions from students across all grades, each piece a testament to their individuality and passion. From insightful articles to stunning visual art, our students have poured their hearts into their work, and I am incredibly proud of their achievements. This publication not only highlights their talents but also captures the essence of exploration that we foster in our learning.

I would also like to take a moment to extend my sincere gratitude to our sponsors, whose support has made this edition possible. Your generosity and belief in our vision are invaluable to us.

Finally, I would like to extend my heartfelt thanks to the entire editorial team, the administrators, and all those who played a part in bringing this edition of Eureka to life. Your hard work, dedication, and creativity are truly commendable.

Thank you for being an integral part of our editorial committee. Together, let us continue to unleash our potential and inspire one another.

With warm regards

**The Committee**

## MESSAGE FROM THE PERMANENT SECRETARY FOR EDUCATION

Ms Selina Kuruleca  
**PERMANENT SECRETARY  
FOR EDUCATION**

Dear Students, Staff, and Friends of Bhawani Dayal Arya College

Ni Sa Bula Vinaka, Namaste and Warm greetings to you all.

I am happy to share my message in the 'Eureka 2024' Bhawani Dayal Arya College magazine. This year's theme, "Elevating Excellence: Nurturing Success in 2024," highlights our shared goal to support everyone in reaching their full potential.

Please allow me to convey my sincere acknowledgement to our hard working and dedicated teachers, supportive parents, and the entire school community. Thank you all for your unwavering commitment and partnership, which are essential to the growth and success of our students.

As we reflect on this past year's accomplishment, I encourage all students to embrace our responsibilities with enthusiasm. Completing your schoolwork on time and helping out with chores at home are great ways to develop important life skills which will help you to maneuver the excitement of your life's journey. Remember, managing your time wisely will definitely lead to a healthy balance between study and play.

Also, let's make an effort to spend less time on gadgets. Go outside, exercise, do some gardening and breathe in that fresh air! Enjoying physical activities is not only fun, but also helps you stay healthy and clear your mind. Avoid engaging in activities that will negatively affect your personal growth, academic journey and later in life your career choices. Your well-being is the key to achieving your dreams.

To our amazing teachers, thank you for your dedication and passion. Your efforts inspire and guide our students every day. And to the parents, your support is invaluable. Together, we are shaping the leaders of tomorrow. As we wrap up this school year, let's commit to carrying forward the spirit of excellence in all that we do. I look forward to seeing even greater achievements in the future at Bhawani Dayal Arya College.

To our students and teachers, may your holidays be filled with joy, inspiration, and wonderful memories. Have fun responsibly and stay safe!

Merry Christmas and Happy Holidays.

With warm regards

Message from the Divisional Education Officer, Central  
**Mr. Ronald Krishna**  
**Ministry of Education**

Namaste to one and all.

It gives me immense pleasure to contribute a message towards the "**Eureka 2024**" theme "**Elevating Excellence: Nurturing Success in 2024**".

It's truly inspiring to see the incredible talent, creativity, and dedication that our students and educators bring to our school community.

This magazine serves as a vibrant testament to the hard work, creativity, and resilience that define your school community. Each article, story and photograph reflects not just individual accomplishments but the collective spirit of the school.

Education is not just about acquiring knowledge; it's about fostering a passion for learning, nurturing curiosity, and shaping young minds into responsible, compassionate, and empowered individuals. As we flip through the pages of this magazine, we witness the culmination of these efforts.

I wish to commend the editorial team, writers, artists, and photographers who have worked tirelessly to bring this magazine to fruition. Your commitment to showcasing the diverse talents and achievements of our school community is commendable.

I encourage students to explore your passion and to always strive for excellence. Remember that education is a lifelong journey, and the skills and values you cultivate today will shape your future.

Let this magazine serve as a testament to our collective dedication to excellence in education. May it inspire you to dream, explore, and achieve.

Divisional Education Office Central sincerely acknowledges the school for all the achievements of the past and present and for promoting variety of programs offered by the Ministry of Education and non-governmental organizations to help students develop their skills.

Finally, I wish the Bhawani Dayal Arya College Family every success in its future endeavors. Best wishes to the Year 12 and 13 students for their external examinations. Merry Christmas and a prosperous New Year to all the readers!

## MESSAGE FROM THE CHAIRPERSON

Namaste

I am overly delighted to have been asked to contribute to the first e-magazine of Bhawani Dayal Arya College, namely “Eureka”. Eureka as it is defined in the Oxford Languages “A cry of joy or satisfaction when one finds or discovers something” When there is achievement of **elevated excellence and success being nurtured**, a cry of joy and satisfaction automates not only for 2024, but years beyond. A very well thought theme, though it might seem easily achievable, the road is full of hurdles and challenges. I have full confidence in the Bhawani Dayal Arya College administration and leadership that they will steer through the thick and thins towards their goals.

Excellence is a continuous process, grounded in the humility to constantly learn, adapt, and grow. Any leader aiming to instill a spirit of excellence within their teams should become a beacon of inspiration. The quest for excellence is woven into the very fabric of a team’s culture, values, and mindset. A good leader instills the defined road map and clear direction into his or her team members citing the common goal. While excellence is not just a destination but a journey — the gradual result is always striving to be better.

In the world of team dynamics, this pursuit of excellence becomes a shared mission, elevating each member’s personal and professional performance. Excellence, then, is not merely an aspiration but a continuous process, grounded in the humility to constantly learn, adapt, and grow. This journey is marked by a willingness to test new ideas, learn from every outcome, embrace failures as stepping stones, fail forward and collectively evolve through rich experiences.

Leadership in the modern workplace is more than just making strategic decisions and achieving targets. It involves navigating through a myriad of interpersonal relationships and understanding the nuanced dynamics that underpin successful collaboration.

Emotional Intelligence, often referred to as the “soft skills” of leadership, becomes the cornerstone for effective and empathetic leaders. Leaders with a high level of EI are adept at managing their own emotions, which in turn enables them to respond thoughtfully to the emotions of others. This self-awareness and self-regulation not only foster a positive work environment but also inspire trust and loyalty among team members.

Finally, I wish all the students, teachers, ancillary and administrative staff and the Head of School a very rewarding holidays and a meaningful 2025 school year.

For those students who will transit into the next leg of their journey, I pray and hope that you will carry the Bhawanian legacy to the next level, both professionally and socially.

## Message from Pt. Bhuwan Dutt

OF, 'Arya Ratna'

Patron & Trustee Arya  
Pratinidhi Sabha of Fiji  
Director of APS Education

Namaste

The theme "Elevating Excellence: Nurturing Success in 2024", is a challenging one because it is focusing on achieving even better results, not just maintaining what was achieved in the past.

It is well known that hard work with a clear vision of the goal is important for success. Also, that effort and prayer go hand in hand. Prayer to God for help is to be done only after one has tried his/her very best to achieve the desired result, and not succeeded. This applies to both the teacher and the student.

**Shatapatha Brahman states:** *Matrimaan pitrimaan  
achaaryavaan purusho Veda.*

**Meaning:** Verily that person alone can become a great scholar who has had the advantage of three good teachers, namely, father, mother and teacher.

**Yajur Ved 7.47 states:** It is appropriate for all humans to search for good teachers with the help of the most learned persons, examine the teachers and then place their daughters and sons to be educated in the care of those teachers. The students should also, knowing their own levels of intelligence, serve under their teachers and continuously receive education from them.

Arya Pratinidhi Sabha of Fiji will next year, be celebrating 150 years of the establishment of Arya Samaj in 1875, in Bombay, India, with the theme "Celebrating 150 years of Arya Samaj through promoting Vedic Values". Good human values need to be taught so that good citizens are developed.

In order to understand Values based on the Vedas, one needs to appreciate the following three eternal

entities in this world: **God:** There is one God only. He is formless and invisible, is existent, intelligent and blissful, is present everywhere in this world. God has five duties: create the world; operate it; give the knowledge in the Vedas to be followed by humans; give out rewards and punishment to everyone, and finally destroy the world; only to recreate it after sometime, to repeat the same cycle endlessly. God was never born nor does He ever die.

The second entity is **Soul** or Atma which dwells within all living beings. It is a separate entity from God. There are many souls. The soul exists and is living, was never born nor does it ever die and is, therefore, eternal. Upon death of the existing body, the soul goes into another body (human as well as other living beings) according to its deeds and the rules of God.

The third eternal entity is **Matter:** Matter is the material out of which God makes this world. It is non-living. It is neither created nor destroyed, thus it has no beginning or end and is therefore eternal. In simple terms matter includes air, water, earth, heat and space.

Deeds or Karma: The soul enjoys the fruits of its good **deeds** and suffers as a result of its own bad deeds. God does not forgive anyone for their deeds. The aim of human life is to do good deeds and achieve "Moksha" or "Salvation".

This is a state wherein the soul is freed from the cycle of birth and death and enjoys immense joy and peace with God for about three hundred and eleven trillion years before being born again.

Understanding the above principles, in my opinion, is important in Elevating Excellence and Nurturing Success. I wish all students and staff of BDAC success in achieving their targets.

## MESSAGE FROM THE MANAGER

Namaste and Greetings to the readers of the "EUREKA 2024"

With immense pleasure, I forward my message for inclusion into Eureka publication for the Year 2024.

The theme for the year "*Elevating Excellence: Nurturing Success in 2024*" positively motivates the students and teachers to work towards the ultimate goal and achieving them beyond expectation.

The role of education is to nurture every child's potential and to support their educational success. At Bhawani Dayal Arya College, we try our best to provide the best teaching and learning environment to all the students and teachers with the limited resources and facilities provided by the Ministry of Education and the School Management. Quality teaching is the most important influence that the education system can have on student achievement. Effective teaching and learning depend on the relationship between the teacher and student, and the teacher's ability to engage and motivate the students.

To enhance effective teaching and learning, modern technologies are important into the education system. The College has undergone a lot of technological advancement for the betterment of our students and teachers. This includes department computers with Wi-Fi and internet to assist in research and learning. All whiteboards have been replaced by the smart boards and projectors; making teaching and learning more interesting. The College was fortunate to be provided with two new units of Interactive Touchscreens also called "Commbox" by the Ministry of Education for Year 13 levels and later, the College will work towards providing this helpful learning tool to other levels as well.

Furthermore, The Arya Pratinidhi Sabha of Fiji, as the controlling authority of the College has always been encouraging the educators to nurture students' overall well-being through embracing holistic education. In the evolving landscape of education, the concept of holistic education has emerged as a transformative approach that emphasizes the development of students beyond mere academic achievements. Holistic education

nurtures not just academic skills but also focuses on socio-emotional, and physical well-being. There are several benefits of holistic education such as: enhanced academic performance, better social skills, improved emotional resilience and healthier lifestyles. Successfully implementing holistic education requires a collaborative effort from educators, parents and community. Teachers play a crucial role in holistic education by integrating academic learning with socio-emotional and physical development. They create a supportive classroom environment, implement diverse teaching methods, and provide guidance on managing emotions and building relationships. By nurturing students' academic, socio-emotional, and physical well-being, we prepare them not only for academic success but also for a fulfilling and balanced life.

As educators, parents, and communities come together to embrace holistic education, we pave the way for a generation of well-rounded individuals equipped to navigate the complexities of the modern world. By prioritizing these aspects, we ensure that our educational systems produce not only knowledgeable students but also resilient, compassionate, and healthy individuals.

I humbly thank the Management Board, Principal, teachers, parents and the stakeholders for their enormous and unwavering support towards the College.

My hearty congratulations to all students who have been able to successfully complete their external and standard examinations this year and anticipating promising results.

Finally, I thank the publication team for the hard work put towards the successful completion of the Colleges e-magazine this year.

I wish all the students and teachers a Merry Christmas and a Prosperous New Year.

Mr. Arvind Chand

**Manager**  
**Bhawani Dayal Arya College**

## Message from Shri Arun Padarath

National President, Arya  
Pratinidhi Sabha of Fiji

Namaste,

It gives me immense pleasure in providing a message for the BDAC 'Eureka Magazine', 2024. The theme for this year 'Elevating Excellence: Nurturing Success in 2024' is quite appropriate as 2024 is a year of the modern era. To elevate excellence Arya Pratinidhi Sabha of Fiji (Sabha) has been organizing workshops and seminars to empower its members, women and youths through its Samajs and schools so that success is always knocking on their doors.

As the calendar flipped to 2024, Sabha schools tried to find themselves at the intersection of extra-ordinary challenges and boundless possibilities. In this dynamic scene, the Sabha re-evaluated its strategies to achieve success for its schools.

One focal point for the Sabha was to direct its attention to the pivotal role of people in driving success. This has been done through interaction and consulting, with the Sabha's legacy in teaching and learning which have been at the forefront of cultivating organizational growth.

In 2024 technology continues to play a vital role in employee engagement. The Sabha is of the view that utilizing advanced communication tools, collaboration platforms and artificial intelligence for personalized learning experiences, can enhance the overall employee experience.

By appointing managers who are equipped with leadership skills, the Sabha promotes a culture of empowerment, leading to increased employee engagement and enhanced performance in Sabha schools. Individuals are encouraged to develop a sharper problem-solving mind set, leading to innovative solutions and a culture of continuous improvement.

The Sabha has always felt that a more inclusive workplace culture needed to be cultivated, leading to a diverse pool of talents, increased creativity and a broader market appeal. Also, employees feel valued and supported, leading to increased retention rates, as they see a clear path for career development.

The Arya Samaj has always focused on the development of self-awareness amongst its leaders and the members at large, including the teachers of all its schools. Understanding one's strengths and areas for improvement is foundational to effective leadership.

The Sabha ensures that the schools are elevating excellence by conducting Education Committee meetings with its heads and deputy heads twice a year, as a form of isolating challenges and nurturing success. The Sabha has ensured that all its schools are equipped with Vedic and Moral Values education teachers so that the students are nurtured properly for success and become good citizens in future. They are holistically developed to choose any career path of their choice.

We are inspired by the founder of Arya Samaj- Maharshi Dayanand Saraswati, who was not only an exemplary leader but also a practitioner of excellence in whatever he did. He propagated the knowledge from the Vedas given by Almighty God at the beginning of this world, for the benefit of mankind.

I wish the staff and students of Bhawani Dayal Arya College every success in achieving the objectives of the chosen theme.

Namaste,

Dear Bhawani Dayal Arya  
College Community,

As I write this message for our cherished annual publication, “Eureka,” it is with mixed emotions that I extend my best wishes to the entire BDAC family while also bidding a fond farewell. Due to my migration, I had to step down from my Principal’s post in mid-July 2024, leaving behind a place that has been more than just a professional endeavor for me. It has been a profound journey of growth, learning, and immense pride.

Since 2019, I have had the privilege of leading Bhawani Dayal Arya College, an institution that stands as a beacon of educational excellence in the Central Division. Together, we have nurtured an environment that promotes not only academic excellence but also the core values and virtues that shape responsible, ethical, and capable citizens. Our school’s commitment to imparting knowledge infused with the teachings of our Vedas and aligned with the Ministry of Education’s curriculum remains unwavering.

I am immensely proud of the achievements we have accomplished together. Our students have excelled not only in academic but also in sports, cultural activities, and community service. Their success is a testament to the dedication of our talented staff and the unyielding support from our community. I am especially grateful for the teamwork and unity exhibited by the entire school community, students, parents, staff, management and trustees. Your cooperation made my tenure as Principal both rewarding and fulfilling.

The multicultural and inclusive environment at BDAC continues to be a source of pride, where we celebrate diversity and foster respect for all cultures. This unique learning atmosphere has empowered our students to grow into socially responsible individuals, ready to face life’s challenges with resilience and integrity.

As I take my leave, I am confident that the Bhawanians will continue to thrive, adding new chapters to the rich legacy of this esteemed institution. I extend my heartfelt

thanks to the Board of Trustees, the school Management for their steadfast support throughout my tenure. To the students, who continue to inspire and challenge us every day, you are the heart of this school and I am honored to have played a role in shaping your futures.

I also want to acknowledge the editorial team, led by Mrs. Sharmila Rao, for their outstanding efforts in bringing “Eureka” to life this year. The publication is a reflection of the creativity, hard work and achievements of our students and I encourage everyone to cherish its pages, which capture the essence of the Bhawani Dayal Arya College spirit.

As I say goodbye, I carry with me fond memories and immense gratitude for the opportunities and relationships I have forged at BDAC. I wish the entire school continued success in all future endeavors. Let us all remain committed to striving for excellence and fostering a nurturing, respectful and dynamic learning environment.

May the grace of the divine guide and bless all Bhawanians. Here’s to another year of achievements and growth for this exceptional institution!

With sincere appreciation and best wishes,

Mr. Ranish Nitesh Chand  
**(Principal, Jan 2019– Jul 2024)**

## MESSAGE FROM THE ACTING PRINCIPAL

*“Progress is impossible without change; and those who cannot change their minds cannot change anything.”*  
~ **George Bernard Shaw**

Namaste.

I am indeed really honored and feel very privileged to contribute towards this year's publication named "EUREKA" in my new role as the Acting Principal of Bhawani Dayal Arya College.

At this juncture, I would like to thank both the Ministry of Education and the College Management for giving me the opportunity and recognition to serve the community here.

It is a privilege to connect with you as we embrace our theme, "Elevating Excellence: Nurturing Success in 2024." This theme reflects our unwavering dedication to creating an environment where every individual can flourish academically and personally.

The newly appointed administrative team is fully committed to perform to their optimum capacity while serving the BHAWANIANS.

Since joining this esteemed institution in the year 2012, I have had the opportunity to grow alongside our vibrant community, first as Head of Department Science, then as the Assistant Principal from the year 2013 to 2018, the Vice Principal for the next five and a half years, and now as the Acting Principal. Each role has deepened my appreciation for the hard work and passion that our faculty and students bring to our college.

I would like to take this moment to extend my heartfelt gratitude to our former Principal, Mr Ranish Chand who led our college from the year 2019 until July 8, 2024. His vision and leadership have brought significant developments and advancements that have positively shaped our institution. We are grateful for his contributions and the foundation he has laid for our continued growth. He has left a legacy behind here at BDAC before resigning and moving abroad.

This year, our focus was not just on achieving academic milestones but also on cultivating the skills and character traits that empower us to be leaders in our communities. We did prioritize collaboration, creativity and resilience ensuring that every student was equipped to navigate the challenges of the future.

Success for all students is ensured at our school by the delivery of an enriching, child centred, balanced and structured curriculum and a whole school focus on student welfare that focuses on the positive recognition of student achievements. Teachers at BDAC are highly qualified and experienced educators who are committed to supporting each student's learning experience through quality instruction and guidance that addresses the needs of the individual child. Teachers work to provide students with differentiated support that addresses each student's specific needs, both academically and socially.

We firmly believe that the parents are their child's first and most important teacher. Parents play a vital role in the education of their children. We happily welcome all our parents to take an active role in the education of their children and to be the active participants in our school life. Get to know the staff, especially the child's teachers and assist where you can so we can work together in the interests of everyone.

I am eager to work with our parent community in supporting their children in their education. We always strive to build strong parent teacher relationship which is very important for the academic success of our students.

As we embark on this journey together, I encourage all students to take advantage of the opportunities that lie ahead. Engage with your peers, explore new ideas and strive for excellence in all that you do. Remember, success is not merely a destination; it is a journey that we undertake together.

I also want to express my sincere thanks to the magazine committee, our dedicated staff members and the management for their unwavering support. Your efforts are invaluable in making our college a nurturing and inspiring place.

We are very sure that with the help of all the stakeholders and with their continuous support, we will be able to take our school to the next highest level of excellence. At our end, we shall continue working with you for the best interests of our beloved students and our community at large.

I am excited for the remarkable achievements that we have already attained in 2024. Let's elevate excellence and nurture success, fostering an inspiring atmosphere where everyone can thrive.

I would like to wish everyone Merry Christmas and a Prosperous New Year!

Mrs Som Lata Prasad  
**Acting Principal**

## MESSAGE FROM THE VICE PRINCIPAL

*“But they that wait upon the LORD shall renew their strength; they*

*shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint.” Isaiah 40:31*

“Ni sa bula vinaka!

It is my great pleasure and an honored opportunity to share a message with the readers of “Eureka 2024.” This year’s theme, “Elevating Excellence: Nurturing Success in 2024,” has been a guiding light for the college’s activities. As the academic year draws to a close, I am reminded of the saying, “Great achievement always requires great sacrifice.” The outstanding results of 2023 were a true accomplishment, reflecting the dedication of teachers, students, the administrative leadership, and school management in aligning with our vision and fulfilling the Ministry of Education’s goal of delivering quality education.

I would like to express my sincere gratitude to the school stakeholders for allowing me to serve as Acting Vice Principal of Bhawani Dayal Arya College for the second half of this academic year. Though I recognize that “I have big shoes to fill,” I have been fortunate to work alongside exceptional leaders who offered invaluable guidance and provided the well-equipped resources and supportive systems necessary for success. Together, we have bridged gaps in knowledge and skills, organized cultural programs, and strengthened connections with parents, government officials, board members, and the community to enhance the educational experience for all. Above all, our focus remains on the success of our Bhawanian students, who inspire us daily with their potential.

To my dedicated colleagues, thank you for your tireless efforts. Your commitment to going above and

beyond to support school programs, despite personal obligations, is deeply appreciated. I also extend my gratitude to our approachable and cooperative ancillary staff. Special thanks goes to the school management for their unwavering support in providing excellent facilities, fostering a conducive learning environment, and empowering our students with the knowledge and tools they need to succeed. I am equally grateful to the Bhawanian family for their generous sponsorship of sports events and school excursions, fulfilling our collective goal of enriching the college experience.

Finally, I wish our outgoing Year 12 and 13 students all the very best as they prepare for tertiary education in 2025. May the future bring even greater achievements, enriching experiences, and personal growth. We look forward to celebrating your inspiring accomplishments and exceptional results in the Year 12 & 13 Examination Certificates as we close this academic year. May God’s blessings be with us all as we enjoy the well-deserved holiday season ahead.

With these words, I wish you all a Merry Christmas and sweet sailing into the New Year.

Vinaka Vakalevu.”

Mrs. Unaisi Veibataki  
**Acting Vice Principal**

## **MESSAGE FROM THE ASSISTANT PRINCIPAL**

*“As the Vedas remind us, ‘Vidya dadati vinayam’— knowledge leads to humility. This year like all other years we have embraced learning with open hearts and minds.”*

I am privileged and honoured to be part of a dynamic leadership team this year and it is with great pleasure I forward to you the message for our school magazine for the academic year 2024.

As we reflect on another vibrant school year, I am filled with gratitude for our incredible team of teachers. Each day, I am inspired by the dedication and passion that our students and staff bring to our school. It's truly a privilege to witness the growth, creativity and resilience that define our learning environment.

This year, we have embraced new challenges and opportunities. From exciting academic initiatives to engaging extracurricular activities, our students have showcased their talents and leadership skills. I encourage everyone to continue exploring their interests and striving for excellence, both inside and outside the classroom.

I wish to extend my heartfelt thanks to our teachers who are the backbone of our school. Their commitment to nurturing young minds and fostering a positive atmosphere is what makes our school so special. To our parents, thank you for your ongoing support and involvement; your partnership is invaluable in helping our students succeed. I would also like to thank the school Principal, the Vice Principal, Heads of Departments, prefects, ancillary staff and the school management for their continuous support.

As we look ahead, let's keep the spirit of collaboration and innovation alive. Together, we can create an environment where every student feels valued and empowered to achieve their best.

Wishing you all a merry Christmas and a joyous new year.

Mrs. Reshma R Prasad

## Head Girl's Message

As we come towards the end of a wonderful academic year, I would like to emphasize the journey we have embarked on together. The year was filled with many challenges and victories; victories that would not have been possible without your support. It has been an honor to represent our school as the Head Girl.

We began the year with high expectations from the school administration, teachers and students and I'm proud to say that we have been a lot of help. From successful school celebrations to sporting events that brought us all together. Your participation and enthusiasm truly made a difference. Each school-based celebration and activity shows our students' spirit and commitment towards the school and one another. It was delightful to see so many students stepping up and sharing their innovative ideas as their contribution towards the school.

Because life is never easy, there were a few challenges that the student council had faced during the year. However, we were able to overcome them because we had each other. Hand in hand, we achieved many successes and gained resilience from the mistakes we made along the way. Working as a team has highlighted the importance of support. We have learned that it is okay to make mistakes. The important part is that we learn from it.

As we approach the school holidays, I encourage you to take out time for yourselves, pursue what you are passionate about and reflect on the year that has gone by. Remember, the connections that we have built and the lessons we have learnt will not end here. So be engaged, continue to do your best and support each other.

Looking ahead, I'm excited for the future leaders who will take the reins and continue to foster our vibrant college. Thank you for trusting me to represent Bhawani Dayal this year. It has been an incredible experience, and I can't wait to see what we all achieve together in the future.

Have a Merry Christmas and a Happy New Year. Stay healthy, humble and happy.

Sincerely,

Your Head Girl  
**Manvinder Kaur**

## Head Boy's Message

I'd like to begin with a quote by Annie Lenox, **"True leadership stems from individuality that is honestly and sometimes imperfectly expressed."** Leadership is often perceived as a title, a position of authority. However, I believe it goes much deeper than that. True leadership is about influence, inspiration and the ability to empower others.

Think about great leaders throughout history. They didn't just command; they connected. They listened, understood and acted with empathy. They recognized that leadership is not about being in charge; it's about taking care of those in your charge. Every one of us has the potential to lead.

Whether in a small group, a team at work or our families, we can create environments where people feel valued and motivated. A true leader cultivates a culture of trust and collaboration where everyone's voice is heard and contributions are celebrated.

Leadership is not just about making decisions; it's about setting a standard for others to follow. When we lead by example, we demonstrate our values and priorities through our actions. Consider the leaders who have made a lasting impact—what do they all have in common? They embody the qualities they wish to see in others. They show up with integrity, work ethic and compassion, inspiring their teams to mirror those same traits.

Leading by example builds trust. When your team sees you working hard, being accountable and treating others with respect, they are more likely to do the same. It creates a culture of excellence where everyone feels motivated to contribute their best.

As we reflect on this year, let's delve into our shared experiences and growth. Each challenge faced has shaped us and each achievement stands as a testament to our hard work and dedication.

Together, we've created lasting memories that will guide us into the future.

Thank you for being a part of this incredible journey; your contributions have made this year truly unforgettable. Here's to the ultimate adventure ahead!

In an increasingly interconnected world, the ability to communicate across cultures is more crucial than ever. At Bhawani Dayal Arya College, the Language Department is dedicated to equipping students with the invaluable skill of multilingualism. Offering English, Hindi, and Vosa Vakaviti, as subjects, we foster not only language proficiency but also cultural understanding and appreciation among our diverse student body.

The Language Department is composed of dedicated educators who bring a wealth of experience and passion to the classroom. Each language discipline is led by expert teachers who utilize innovative teaching methodologies tailored to meet the unique needs of our students. Our curriculum is designed to promote speaking, listening, reading, and writing skills, ensuring our students emerge as confident communicators.

Our English program focuses on building foundational skills and promoting advanced literature analysis. Students engage with diverse texts, explore various writing styles, and participate in discussions that enhance their critical thinking abilities. Also, next year, there will be an update to the Year 9 English curriculum, as we introduce a new Revised Secondary English Curriculum.

### **VOSA VAKAVITI LANGUAGE**

Vosa Vakaviti offers students a unique insight into the vibrant culture of Fiji. With a focus on reading, writing, conversational skills and traditional customs, our program encourages students to appreciate the nuances of the language.

### **HINDI LANGUAGE**

Hindi instruction emphasizes language skills and caters to exploring the rich cultural heritage of the Indian subcontinent. Students learn through reading,

writing, and interactive activities which foster a love for the language. Special events like Hindi oratory, poetry recitations, and cultural celebrations allow students to showcase their learning and connect with their heritage. Our students' connection to their cultural heritage is exemplified by their impressive language skills, as demonstrated by Dipshika Mala, a Year 11 student, who has won the First Prize in the APS National Hindi Oratory contest.

Looking ahead, the Language Department is committed to expanding its offerings and enhancing the educational experience by implementing digital tools and resources to enhance language learning, including interactive apps and online platforms for collaborative projects.

As we continue to inspire and educate our students in English, Hindi, and Vosa Vakaviti, we are confident that they will carry these skills and cultural understandings with them, paving the way for a more interconnected and tolerant society. Together, we celebrate the beauty of languages and the incredible power they hold in bridging communities.

Finally, I would like to extend my sincere gratitude to the dedicated department members, administrative team, and everyone who has contributed to our success. Your collective efforts have been truly appreciated.

Warmest wishes for a festive Christmas and a happy & prosperous New Year!

It is a privilege for me to contribute towards this publication and share the highlights of the department for the academic year 2024.

In every successful department, the true heartbeat lies within its members. The department comprises of seven dedicated and committed teachers who have always given their invaluable contributions to the students. Science is offered from Year 9 to Year 13. Students take Basic Science in Years 9 and 10 and Biology and Chemistry from Years 11 to 13 if they choose to pursue their studies in science.

As this year unfolds, the department also gave opportunities to participate in various science competitions organized by the Chemical Society of the South Pacific which were the Chem Knowledge Battle, Bio Battle, Chem Quiz and Titration competitions.

Nivriti Prasad of Year 1301 was awarded the 2nd prize in the National Advanced Titration Competition in USP. Competing at the national level is no small feat. It requires not only skills and knowledge but also resilience and determination. Nivriti has shown exceptional talent and has represented our school with grace and integrity, making us all very proud.

I would like to take this opportunity to sincerely thank all the department teachers for their constant support, dedication, creativity and teamwork in making the Science Department a beacon of excellence. Together, let's keep pushing boundaries and inspiring the next generation of scientists.

Wishing everyone a Merry Christmas and a Prosperous New Year.

Commerce education equips students with the necessary skills and knowledge to pursue a wide range of career opportunities in fields such as accounting, finance, marketing, human resources, and entrepreneurship. It promotes financial literacy, teaching students about concepts such as budgeting, saving, investing, and managing personal and business finances. This knowledge is crucial for individuals to make informed financial decisions throughout their lives.

It is a privilege for me to contribute towards this annual publication and share the highlights of the department for the academic year 2024. The department comprises of five very experienced, dedicated and hard-working teachers who teach Commercial Studies at year 9 and 10 and Accounting and Economics from years 11 to 13. Teachers use variety of teaching methods to enhance students' understanding at all levels. We also incorporate modern technologies such as smart board, COMM box and overhead projectors in our classes.

I would like to congratulate two of our students of year 13 last year who were awarded certificates by Fiji Institute of Chartered Accountants (FICA) for scoring highest mark in accounting in the central division. They were Amanpreet Kaur of year 1302 and Nysha Nand of 1303.

Finally, I wish to take this opportunity to thank sincerely all the department teachers for their endless support throughout the year. I would also like to thank the Management, the Administrative team and the Ancillary staff for their continuous backing. The constant efforts of the students and their parents are greatly valued as well.

In conclusion, I would like to wish year 12 and 13 students' good luck in their examinations.

Merry x-mas and a prosperous new year.

The Social Science Department is thrilled to provide a summary of our achievements from the past academic year. Our team consists of four dedicated and proficient educators who are committed to providing high-quality education while instilling a sense of social responsibility in our students. We offer a robust curriculum, with Social Science classes for Years 9 and 10, along with History and Geography courses for Years 11 through 13 fostering a deeper understanding of the subjects. Our focus is on enhancing academic performance while also promoting the knowledge and principles required to be informed citizens.

Our creative teachers have adopted new teaching approaches to keep our social science lessons vibrant and engaging. We've integrated multimedia into our classroom activities, using projectors to display documentaries that align with our curriculum, enriching students' understanding of the subjects.

Throughout the year, we hosted special events, like Climate Change Week, Ratu Sukuna Day Celebrations and Fiji Day, featuring engaging activities for both students and teachers. Years 11, 12, and 13 students took an excursion to the Island of the Sleeping Giant and Port Denarau. The island's varied geographical features, including mountains, valleys provided a hands-on study of different landforms and geological processes. Observing the natural habitats and conservation efforts underscored the significance of biodiversity and the

challenges in preserving it. At Port Denarau, students gained insights into the tourism industry's economic impact such as job creation, revenue generation and its crucial role in Fiji's economy.

As we look to the upcoming academic year, we are eager to continue our pursuit of excellence, embrace new opportunities, and work together to positively impact our students' lives. We express our sincere gratitude to the school administration and our dedicated teaching staff for their tireless efforts and passion which have been key to our department's success.

We hope everyone enjoys a much-deserved and restful break

The Computer Studies Department experienced a productive and successful year in 2024, marked by significant accomplishments, events, and initiatives aimed at enhancing students' educational experience. The department focused on innovative teaching methodologies, early initiation of Internal Assessment (IA) tasks, and comprehensive curriculum coverage across all grade levels.

The department consists of three dedicated teachers, each bringing unique qualifications and years of experience. Teaching responsibilities are effectively distributed to meet the needs of students from Year 9 through Year 13.

Student enrollment in the Computer Studies Department saw a slight increase, with a total of 244 students, comprising 111 boys and 123 girls.

The department completed IA tasks for Years 12 and 13, meeting the Ministry of Education's deadlines and quality standards. Curriculum coverage was substantial across year levels, with only minor areas identified for further clarification and improvement.

Exam analysis throughout the year indicated a satisfactory pass rate, reflecting commendable overall performance. However, the department identified specific areas for improvement and plans to implement targeted strategies to address these in the upcoming academic year.

Major events and achievements included TEST Week (Empowering Fiji's Youth for Local and Global

Challenges), held from July 15th to 19th, 2024. This week-long event celebrated students' skills and creativity through model displays, chart competitions, classroom corner displays, robot displays, and a futuristic "Green City" model showcasing sustainable innovations. The event highlighted the department's commitment to practical, hands-on learning experiences.

In addition, the department continued integrating new technologies such as smart boards (Comb Box), interactive boards, Surface Pro, and projectors, enhancing classroom learning with various educational software and tools.

Future plans for the department include upgrading and expanding the computer labs to accommodate the increasing number of students and improve teaching resources. Additionally, professional development for teachers will remain a priority, ensuring they stay updated with advancements in computer studies and educational technology.

In conclusion, the Computer Studies Department has shown resilience, innovation, and dedication to student success throughout 2024. The department looks forward to building on this year's achievements and tackling future challenges with renewed commitment.

It is a great pleasure to contribute to this year's magazine and reflect on the department's achievements for 2024. This Department is fortunate to have three dedicated and hardworking teachers: Mr. Timoci Waqa, Mr. Sandeep Lal, and Mr. Noa Turagadrau. Thanks to their efforts, the department achieved a 100% pass rate in last year's Year 12 and Year 13 external exams. We remain optimistic about reaching our targets again this year.

The academic year brought challenges, especially with student attitudes, yet we managed to navigate these difficulties successfully. Unfortunately, we bid farewell to Mr. Sandeep Lal, who left in Week 1 of Term 3 for opportunities abroad. We wish him and his family all the best for the future. Despite his departure, the remaining two teachers continued to support our growing student body, completing all curriculum coverage on time.

Industrial Arts is a subject that equips students with lifelong technical skills, enabling them to apply knowledge practically and develop hands-on skills with various materials. This department will continue to empower our students, preparing them for future success.

A heartfelt Vinaka vaka levu to our trainee, Anukesh Sharma, for his valuable assistance in the teaching and learning process. I also extend my sincere thanks to the College Principal, Vice Principal and Assistant Principal for their continuous support and guidance throughout the year.

Best wishes to our students for their 2024 external exams.

Greetings to all our readers!

It is with great enthusiasm that I present this year's report from the Home Economics Department for the year 2024. The year began smoothly, allowing our department to focus entirely on what matters most: preparing our students to excel in their academic journey and beyond.

At its core, Home Economics goes beyond traditional homemaking - it equips students with life skills essential for managing modern households and contributing to society. Our curriculum covers a wide array of topics such as human development, family finance, food science, nutrition and wellness, interior design, textiles and apparel, and consumer education. These skills lay the foundation for personal growth and professional success.

The focus of Home Economics has evolved significantly in recent years. While it continues to nurture essential life skills, our department now addresses global challenges like

overpopulation, urban poverty, and the advancement of emerging nations. By linking local learning with international issues, we empower our students to think critically about the world and their role in shaping the future.

### **Department Highlights for 2024:**

- The department kicked off the year with a dynamic team of three passionate teachers who worked diligently to impart knowledge to students across all grade levels.
- The two separate labs - a textiles lab and a modern foods lab - are a testament to the growth and innovation within the department. Our state-of-the-art foods lab, equipped with the latest projectors and interactive whiteboards, provides a futuristic learning environment. This integration of technology makes learning both engaging and relevant to the times.

### **A Note of Appreciation:**

I extend my deepest gratitude to the past and present Heads of Department and dedicated teachers whose relentless efforts have shaped this department into what

it is today. Your hard work has made possible the development of these facilities. Together, we have created a department where innovation and tradition meet to prepare our students for the future.

I also want to acknowledge our school's administrators for their unwavering support, leadership, and guidance throughout the year. Your encouragement has ensured the smooth functioning of our department and allowed us to focus on providing the best possible education for our students.

As we approach the end of the academic year, I would like to take this opportunity to wish all our students the very best in their upcoming examinations. We are confident that with the knowledge and skills they have acquired, they are well-prepared for the challenges that lie ahead.

From all of us at the Home Economics Department, may you have a blessed and successful 2024!

Namaste, readers! The year 2024 brought significant changes to the TVET department, particularly with the reintroduction of CBA at the lower levels, dedicating 40% of coursework to this area. Marks from this portion contribute 20% towards the annual results for Years 9 to 11.

This year, 294 out of 469 students are enrolled in this subject, making up approximately 62% of the student body. The strength of this subject lies in its blend of theory and practical applications. Year 9 students cultivated crops, applying all husbandry practices, while Year 10 undertook two tasks: Plant Propagation (15%) and Crop Production (25%). Year 11 engaged in field trials, Year 12 in pot plant raising, and Year 13 developed business plans. The Year 12 syllabus has also been reviewed and will see updates in the next edition.

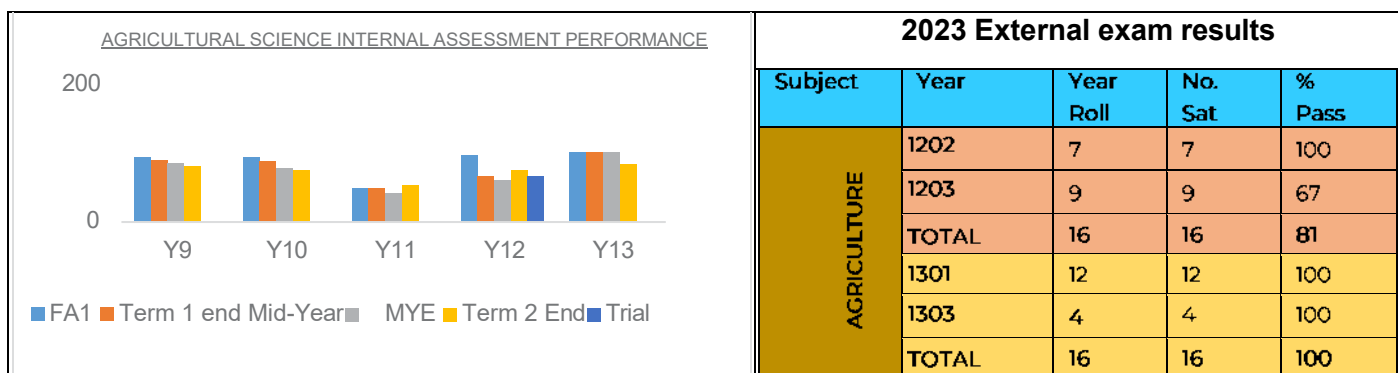

Since its establishment in 2017, the department has reached new heights, becoming fully resourced with tools, equipment, classrooms, and gardening areas. Two highly motivated and energetic staff members teach

agriculture across three Year 9 classes, three Year 10 classes, two Year 11 classes, two Year 12 classes, and two Year 13 classes. Completing the Year 12 and 13 tasks, ensuring syllabus coverage in line with the LTP, and conducting three assessments remain substantial responsibilities. Our hydroponic setup has now progressed into its third phase, and the internal pass rates for Year 12 and 13 mid-year exams have been promising. We extend our sincere gratitude to the Water Foundation Grant for its support.

From the Agriculture Department, we wish our Year 12 and 13 students the best for their external exams, our Year 9-11 students the best for their internal exams, and all students an enjoyable holiday ahead.

I am thrilled to present the magazine report for the PEMAC Department for the year 2024.

The Department of Physical Education, Music, Art, and Craft continues to play a vital role in fostering teamwork, discipline, and personal growth among our students. This year, we proudly represented our college with a variety of sports teams, demonstrating our commitment to excellence in athletics and teamwork.

One of the highlights was the highly successful Inter-House Athletics Competition, where our student-athletes showcased their talent and determination. The event brought together enthusiastic competitors from different houses, fostering a spirit of healthy competition.

After several thrilling heats and impressive performances, seven exceptional athletes qualified to participate in the prestigious Coke Games. Their dedication and hard work truly paid off, leading to an unforgettable experience. Among the standout athletes was Josevani Ramaraca, who made headlines by

breaking the Triple N Zones records in both the 100m and 200m events. His remarkable speed and determination earned him a sixth-place finish in both events at the Coke Games.

Our department also fielded four football teams: Under 15, Under 17, Under 19, and an Open Girls team. Additionally, we had three netball teams: Under 15, Open Boys, and Open Girls. This year, we made history by participating in district-level competition with our Under 16 rugby team, marking a significant milestone for our college and highlighting the growth of our sports program.

All teams displayed commendable efforts in the pool games, showing resilience and sportsmanship throughout. While they did not qualify for the National Finals, our Open Girls Netball team made an impressive run, reaching the National Finals before being eliminated in the second round. Their achievement reflects their hard work and dedication, and we are incredibly proud of them.

We extend our heartfelt gratitude to the team officials, management,

and players for their unwavering commitment and tireless efforts. Your dedication has not only elevated our college's sports profile but has also inspired your peers and the entire college community.

As we look back on this year's sporting journey, we look forward to building on our achievements and further developing our sports programs. Together, let's keep the spirit of competition alive and encourage our student-athletes to strive for excellence in all their future endeavors.

**YEAR 9 DEANS REPORT**

**Mrs. Joyce J. Prasad**

**Mrs. Sharmila R. Rao**

We are delighted to present the Year 9 Dean's Report for this year's school magazine. Our heartfelt thanks go out to all Year 9 teachers and students for their exceptional dedication and hard work throughout this challenging academic year.

We would also like to extend our sincere appreciation to the supportive parents for their unwavering encouragement and assistance in promoting learning. Your role has been invaluable during this time.

To all Year 9 students, we applaud your adaptability and resilience in adjusting to a new learning environment.

Finally, as deans, we wish you a future filled with health, safety, and bright opportunities.

**YEAR 10 DEANS REPORT**

**Mr. Timoci Waqa**

**Mrs. Mahazbeen N. Hasnain**

We are pleased to present the 2024 Year 10 Dean's Report, highlighting the significant contributions and accomplishments of our 189 Year 10 students across five classes. This year, the Year 10 cohort actively engaged in a range of events, demonstrating tremendous enthusiasm and commitment.

Our Year 10 students showcased their talents in competitive activities such as the Team Mathematics Competition and the Coke Games, excelling with impressive teamwork and skill. They also participated in various school-based events, including Climate Change Week, Ratu Sukuna Day, IDADAIT, Fiji Day, and World

Mother's Day, reinforcing their involvement in our school's cultural programs. Notably, Meli Buinimasi from Year 10-05 represented our school in the Oceania Boxing Championship in Tahiti on July 3rd and won the junior gold medal.

We commend the dedication and hard work of our students and are grateful for the support from their parents and guardians. To ensure our students continue to thrive, we encourage them to stay focused on their academics and make the most of available resources and support systems. Strong communication among teachers, parents, guardians, and the school is vital in creating a positive and collaborative learning environment.

In conclusion, the engagement and accomplishments of Year 10 students in both academic and extracurricular activities are a source of pride for our school community. Their positive outlook and determination reflect their potential for success. With continued encouragement and guidance, we believe they will achieve even greater things in the future.

On behalf of both Deans, we extend our heartfelt thanks to everyone for their unwavering support and commitment to the success and well-being of our Year 10 students.

**YEAR 11 DEANS REPORT**

**Mr. Dinesh Chand**

**Mrs. Reshma R. Prasad**

It is with great pleasure that we present the Year 11 Dean's Report.

We extend our sincere gratitude to all Year 11 teachers for their tremendous support in maintaining discipline and preparing students to achieve the 100% pass target in the annual examination.

This was no easy task, as Year 11 serves as a transition year in which students select subjects for potential career pathways.

We also wish to thank the administration team and the parents for their continuous support.

I pray to the Almighty to bestow His choicest blessings on everyone as they strive to achieve their dreams.

## YEAR 12 DEANS REPORT

Mr. Lekh Ram

Mrs. Nazreen Sahana

The Year 12 Dean's Report for 2024 highlights the outstanding achievements and dedication of our students.

This year, they have excelled academically, consistently demonstrating a strong commitment to their studies.

Beyond the classroom, our Year 12 students have shown impressive leadership and teamwork through active participation in various school activities.

Their contributions have enriched the school community and set a high standard for others.

As they move towards their final year, we are excited to see their continued growth and success.

## YEAR 13 DEANS REPORT

Mr. Naresh Prakash

Mrs. Reshmi D. Prasad

It is indeed with great pleasure that we forward the Dean's Report for 2024.

There are four streams of Year 13 with a total of 119 students. All four classrooms are equipped with overhead projectors and smart boards. Two COMM boxes were also donated by the Ministry of Education in July to further enhance the teaching and learning process.

Our morning visits to classrooms ensure that students feel comfortable and are focused on their prime goal: academic excellence. Participation in school-based extracurricular activities, which guide and assist students in accomplishing their dream goals, has been ongoing.

During the year, we have had syndicate assemblies, counselling sessions, PTI, and organized sessions with students, parents, and administrators.

Additionally, students had the opportunity to attend career expos and open days at institutions such as Nasinu Forestry, Uni Fiji, USP, and FNU. Our college head prefects also participated in the Young Leaders' Seminar, themed 'Empowering Young Leaders through Digital Literacy for Anti-corruption' in the Central Division. This event, organized in August by the Fiji Independent Commission Against Corruption (FICAC) in partnership with the International Foundation for Electoral Systems (IFES), was held at the South Point Convention Centre in Lami. About 15 students also took part in the Ministry of Youth and Sports' 1-week climate change and organic agriculture program at Nasau, Sigatoka.

All the Year 13 teachers and subject teachers who have worked with the Year 13 students are heartily thanked for their tremendous efforts throughout the year. We also extend our heartfelt gratitude to the students and parents for their continued efforts during the year.

Finally, we would like to wish everyone success in their external examinations and future endeavors.

Mrs. Sera Naivalu and Mrs. Ashika Chand are our form teachers,  
While Adhya and Joshua are our leaders.  
Wilma is our Madam Speaker,  
Anya, Sami, Akanisi, and Miliakere always act as ninjas.  
902 is our form, BDAC is where we belong,

42 students is our roll.  
While Teresia and Mere are attached to our form.  
Atelini and Veidehi are our short kids,  
Saurav, Avishesh, Aarush, and Ayuresh are our teasers,  
Prachi and Prisha are always addicted to the mirror.  
Not forgetting Seini, Meri, and Viema, who are our silent killers,  
While Sitiveni, Maciu, and Manueli are our silent Chinese dreamers.  
Litiea and Merselina are our readers,  
Mereseini, Rosanimili, and Kinisimere are our Sigidrigi singers.  
Roweena is our wonderful sprinter,

While Josephine and Filimone are our best super kickers.

Best artists are Aniya Kamal and Harkiran,  
Mehul and Ayush are our pretenders, while Ashavari,  
Riya, and Ilisapeci are exploring the wonder world.

We wish you all a Merry Christmas and a prosperous  
Happy New Year.

With handsome prince ANARE and PENI,  
And our princess Rapunzel ANGELEEN.

Not forgetting LORAINI, our Rotuman girl, with our  
smarty ATECA,  
LEDUA, the mother of the class.

AYUSH, being the quietest star,  
Whilst GRACE, our netball gladiator,  
Followed by SHIRAV and RAINAL, always in their world  
of chatter.

RIDHISH, our tiny talker, who doesn't want to shatter,  
SEINI, our top model,  
Not far away is our dusky beauty SHRUTI.

Well, I am honest of them all, but staying around them

## YEAR 9-03

**Front (L –R):** Endriya, Filiti, Adi, *Mrs Veronika Cakaunivalu*, *Mr Noa Turagadrau* (Year Teachers), Atelaite (Year Prefect), Shuduthi, Kashmini

**Middle (L –R):** Sneha, Zaiysha, Anisha, Adrina, Prenna, Pallavi, Prachi P, Niharika, Adi Mereoni, Naysha, Ayushi, Mereana, Shalni, Shivanjani, Samantha, Anaiya, Shirlette

**Back Row (L –R):** Ansh, Sionasi, Savinay, Syon, Elijah, Aryan, Akariva, Aarav, Arish, Abdul, Adish, Ribhav, Adarsh, Wame, Tevita, Srianshu, Daniel

**Absent:** Vanshika Prachi C, Akash (Year Prefect), Nikhil

### **Welcome to Year 903,**

a unique and one-of-a-kind form which consists of 44 students, 19 boys and 25 girls. Our crazy and joyful form is led by two caring and awesome teachers, Mr. Noa Turagadrau and Mrs. Veronika Cakaunivalu.

Let us begin with a short introduction of our form, starting off with our Year Captains, Atelaite and Akash, who bestow their duties responsibly. Shivanjani is the earliest bird of the class, while Endriya and Ribbhar are the teacher's pets. Adrina, Zayisha, Pallari, and Prachi Prakash, these foodies, never get tired of eating. They will always have something to eat.

There are always a bunch of clowns in every classroom, and we have Savinay, Aryan, Akariva, and Daniel, who would always laugh until they burst into tears.

Our very own Prince and Princess, who are known as the sleeping beauties of the class, are Prenna and Tevita. Teachers get mad at Arish, Aarav, Syon, and Adish, our backbenchers, for their never-ending stories or out-of-context discussions. The shortest person but very intelligent, Ansh, along with our two calm and quietest students, Nikhil and Anaiya, will always have the correct answers and pass their exams with flying colors.

We wish that we could share many more things about our awesome class, but if we do, there would be no space for other classes in the school magazine. A form which has intelligence, loudness, sleepiness, and leadership skills, like a rainbow with multicolored arcs. Throughout the year 2024, we made so many memories, shared emotions, and formed bonds that will help us on our journey through our first mountain in high school.

We thank all our parents and teachers for their guidance, teachings, and patience throughout the year. Without your support, we would have found our road to this year's expedition much more challenging.

Please kindly forgive us if sometimes we give you headaches and frustrations, and we are sorry to say that this is only our first year in high school, with four more years to go. We will try to lessen the headaches and frustrations along the way.

That is all from our form. Stay safe, and we wish you all a Merry Christmas and a prosperous New Year.

**Front (L -R):** Abishta, Shriti, Tisha (Year Prefect), *Mrs. Ashika Prasad*, *Mrs. Doreen Chand* (Year Teachers), Vivaan (Year Prefect), Pavani, Akshara

**Middle (L -R):** SLoraini, Anushka, Shreya, Kritasha, Shirya, Timaima, Agnes, Keresi, Sanchi, Khushi

**Back Row (L -R):** Rahil, Aemish, Rishabh, Rajit, Aisea, Ritikesh, Rynal, Jeremy, Arnav, Anash, Aryan, Ranveer, Shilvinesh, Ahish

**Absent:** Sarafina, Aishani, Jazmeen, Alisha, Xanya, Sitiveni, Naitik, Aarush, Diwesh, Ananaiasa, Jeke, Krishneel, Isaac

## Welcome to Year 904,

which comprises 43 students with a mixture of smart, humorous, amazing, playful, and unique personalities. The heads of the family are two of the most hardworking Year teachers, Mrs. Ashika Prasad and Mrs. Doreen Chand. Assisting and controlling the class are Vivaan and Tisha, our class captains.

Our tribe includes the brainboxes of our class, Rajit, Shriti, and Tisha. The chatterboxes, or Mynah birds, of our class are Aishani and Vula. Sitiveni, Rishabh, Vula, and Ranveer tend to turn every conversation into a funny one. The one who risks his life to make everyone laugh is Aryan. The two inseparable duos are Shilvinesh and Naitik. We also have our local Sergio Ramos, Anash, who tends to showcase his defending skills during P.E. classes. We also have our local Taylor Swift, Adi Loraini. Agnes, Shriti, and Khushi are the best trio during P.E. We also have Aisea, Aarush, and Ahish, our backbenchers, who are always waiting for free periods. The fastest and strongest has to be Rahil. Jeremy is the most creative person when it comes to arts.

Krishneel is the most handsome and vocal student in class. Alisha, Diwesh, Kritasha, Rajit, and Aemish are the quietest students of our form. Shreya, Sanchi, and Anushka are the loudest trio, whereas Abishta and Xanya have innocent faces but are always up to something. Isaac and Rynal are also good footballers with the best football IQ. Meanwhile, Ritikesh is known as the best editor. Our class also consists of the sleeping beauty, Timaima. Jazmeen and Akshara are always on their own adventures and discoveries. Sarafina and Shirya are often allergic to school, whereas Pavani is always laughing at anything (our laughing machine), with her partner Aishani. Jeke and Arnav are obsessed with anime and are always discussing it. Meanwhile, Keresi is the only person in our class who loves Math. Lastly, we had the best year of our lives, spending time with one another and getting to know each other.

## YEAR 9-05

**Front (L -R):** Kavya, Ishita, Crystal, Vishalini, Aarav. N (Year Prefect), *Mr Sandeep Lal, Miss Shiksha Singh* (Year Teachers), Maahi (Year Prefect), Vani, Martha, Nanise

**Absent:** Ayana, Avishek

In a world full of fantasies, where magic comes alive, from spells to tricks and power untold, our enchanted class is wild, brave, and bold!

### **Welcome to Year 905,**

where nothing is ever as it seems.

In the enchanting world, we see Miss Singh swinging the wand, and there appear our leaders Maahi and Aarav Nand. Moving inside, we see Eta, the hairstylist of the form, next is Savaira, the laughing stock as she giggles at her own jokes. Meet Aarav Nand and Kartik; they are the Tom and Jerry of the form. Let's meet the intelligence, Shyama and Shreyneil, the brainboxes. In the corner, we have Reyna and Ishita, the dwarfs. Let's not forget Karya and Vishalini, who have all the stories of the nation. Next, Prachi and Esther are the sleeping beauties, and Shreya is the living anime character. Nanise and Kalera have the title of fighting queens, and Calab is the gentleman. Omisha and Aaron are the artists of unsold pictures, and for some smiles and laughter, meet the clowns Josurph, Sean, and Sevuloni.

For language translation, we have Nai and Marylyn at your service. Well, Perina can talk to stones and rocks even. Prانشa is the creative one. Meanwhile, Martha and Trivti own the readymade excuse-making factory. Shirani is the popular one in the class, and Jalishka is just obsessed with cars. Vanshika is the quiet one, and Seruwaia has more holidays than anyone else. Crystal is our local Rapunzel, and Josua is always clueless. Kavish's dog ate his homework. Arnav and Ayaan are the twins with different personalities. Vani and Anisha are the best soccer players, and for the latest football updates, we have Arav Dutt. Nirav and Avishek are the perfectionists, with all their work up to date. Lastly, our classy author Ayana Arshia, who looks like a foreigner.

So, enter here if you dare to try, for Year 905 is where the wonders fly.

**Front (L –R):** Jasnita R, Shreya C , Jacob M (Year Prefect), *Mr. Nilesh Ram*, *Mrs. Ledua Tamanikaibau* (Year Teachers), Mere L (Year Prefect), Adi Voui D , Suhana P

**Middle (L –R):** Saachi K, Charlotte D, Venina R, Emilina V, Elina T, Lusiana B, Kathrina L, Ella T, Shreya P, Maahi K, Finau S, Miliakere N

**Back Row (L –R) :** Kevyn G , Kelepi K, Manasa M , Elia D, Mikaele V, Siddhant P, Navtej P, Shivnesh S, Savenaca Manu, Paloto Waqa

**The Year 10-01** has 38 students, 22 beautiful girls and 16 handsome boys with 2 caring and hardworking educators known as Mrs. Tamanikaibau and Mr. Nilesh Ram.

These students are committed to their school work, and are brilliant in participating in practical work, extra-curricular activities and other school activities. We found amazing bonds between the students. Unity in the form has been displayed during school sports day and cultural celebration in coming together with a “kalavata”.

Two years together had motivated these students to endure through difficulties, overcome their differences, and try to solve their problems before the day ends.

However, these potential students display their knowledge through art work and creativity. At some point, we tend to make mistakes, but we are thankful that we ended this academic year successfully and holding our head up without any hesitation.

We meet standards across all subjects and examination.

They are well and truly on track to end the year with good results. They continue to maintain their study schedule to ensure they perform well in upcoming exams.

They are satisfactory students. They regularly pass their exams.

**“Knowledge will bring you the opportunity to make a difference” Claire Fagin.**

We believe in creating memories and unity.

**Front (L -R):** Shriya, Tisha, Suliasi (Year Prefect), Mrs. A Karan, Mr. P. Bhan (Year Teachers), Sherya (Year Prefect), Asilika, Bhivavri

**Middle (L -R):** Trishika, Delisha, Hiresheka, Aditi K, Losalini, Unaisi, Foli, Ofa, Aditi N, Marisilina, Litia, Shayal

**Back Row (L -R):** Shivendra, Sumit, Viliame, Ilaisa, Simione, Semi, Pita, Rusiate, Arav, Gaurav, Jone

## ***As we set sail on our 2024 academic journey,***

our captains, Mr. P. Bhan and Mrs. A. Karan, steered the crew with dignity and dedication, enabling us to reach our destination successfully. Suliasi and Sherya, our co-captains who are second to none, played their roles diligently. Every member of the crew is special in their own unique way.

The early birds, Shriya and Aditi Nand, are never late. Shivendra and Gaurav are punctual as well, while Arav and Pita think being away from school is fun. Rusiate believes he can be louder than the school intercom, whereas Sumit is soft-spoken. Shayal, Tanisha, and Tisha always seem to think its fashion week. Maikeli is creative, while Jone has a knack for singing offbeat. Atunaisa, Viliame, and Simione are known for getting the class into trouble.

Marisilina, Asilika, and Unaisi tend to crawl their way to school, while Ofa and Litia are best mates. Mereoni treats school like a hair salon, while Losalini seems unaware that school rules exist. Foli and Asenaca are always up-to-date, but Ilaisa is their complete opposite. Semi is usually in a happy mood, while Namrita is always quiet. Delisha is our silent killer, while Trishika and Aditi K. are well-behaved. Arieta and Disha are still in vacation mode, and Hiresheka and Bhivavri tend to be reserved.

With these words, we bring our 2024 academic journey to a close, wishing the crew happy holidays and a prosperous 2025.

**Front (L –R):** Maanshika, Shiristi. P, Kelera (Year Prefect), *Miss Sharma and Mr. Singh* (Year Teachers), Vedant, Anushka, Ashie, Shivli, Anjana

**Middle (L –R):** Vandhana, Ashlee, Sinukula, Adiseini, Angilina, Joylynnne, Nysha, Mellani, Nishna, Shreya, Shristi. D, Tanisha

**Back Row (L –R):** Divikesh, Krishay, Arvish, Zinid, Avikesh, Moses, Jone, Issac, Shadrick, Osea, Shehal, Ryan (Year Prefect), Roshik, Emanuel

**Absent:** Esther, Amani, Krishiv, Yug

**Year 1003 is our form;** near the AP's office is where we belong. Ryan and Kelera take charge, with Miss Sharma and Mr. Singh making the final call.

Our roll count is 38, so let me introduce you to 03, the finest of all.

First, we have Maanshika, who is very quiet and helpful around the classroom. Jone and Moses are frenemies, while the trio - Nysha, Ashie, and Shivli - are always up to no good. Our class boasts a lot of talented soccer players, including Anushka, Shreya, Anjana, Zinid, Divikesh, Roshik, Shadrick, Issac, and, of course, Shehal. Esther, our talented artist, loves drawing. On the other hand, Osea and Amani are always looking forward to P.E. class.

With their beautiful voices, Joylynnne, Adi, and Sinukula love to sing, while Mellani and Angilina are their biggest fans. When it comes to solving difficult questions in

any subject, we can always count on Shiristi P. and Arvish for help. Emanuel and Avikesh are always quiet. Vandhana is full of energy and loves to laugh, while Yug enjoys making others laugh with his silly antics. Ashlee and Nishna don't need to worry about their looks, as they are our beauty queens. Krishay prefers to keep to himself, whereas Krishiv could talk about cars all day. Shristi D. and Tanisha are a huge help in organizing our classroom corner for events.

Last but not least, there's Vedant, who can solve a Rubik's cube in a matter of minutes.

That's all about 1003. From all of us in 1003, we wish you a Merry Christmas and a Happy New Year in advance!

**Front (L –R):** Neha, Anaysha, Divya, Joel (Year Prefect), *Mrs. Suman Lal*, *Mrs. Manjeet K. Singh*, (Year Teachers), Rachel (Year Prefect), Anshika, Shivali, Shivani

**Back (L –R):** Siddhir, Nitish, Ryon, Rishap, Ashitosh, Aseri, Ryan, Ayaan, Rainav, Zion, Aaravh

**Absent:** Bridget, Shreya, Silipa, Sereana, Rishit, Nishal, Visnesh

***The world is full of natural wonders - and let's not forget the unique creatures of Year 1004.***

The tour guides for this year's safari expedition are Mrs. Manjeet Singh and Mrs. Suman Lal. The lion and lioness, Joel and Rachel, rule the pride.

First, we have the speedy cheetahs, Ryan and Aseri, along with our long-distance runner, Salaseini. Like fast and fierce jaguars, we have Rishap, Zion, and Nishal, known for their soccer skills. The leopards, Siddhir, Rishit, Aaravh, and Visnesh, are always full of surprises. Our incredible heroes, Ashitosh and Ayaan, are always up to some good. Nitish and Rainav, the porcupines of the safari, use their humorous "spikes" as defense when needed.

For those interested in feminine beauty, we have the majestic peacocks: Shikha, Eshita, Shreya, and Deepika. As elegant and graceful as flamingos, we have Shivani, Shivahli, Anaysha, Neha, Bridget, Tanvi, and Ranwi.

With creative and intelligent minds similar to elephants, there are Mavishka, Divya, Anshika, and Samara. Last but not least, the laughing hyenas: Silipa, Sereana, Neomai, Leba, Rosemary, and Ulamila.

Ensuring all is well; we have the rich kid in town, Ryon, as our zookeeper.

We hope you enjoyed our safari expedition. From all the natural wonders of Year 10-04, we wish you a Merry Christmas and a Happy New Year!

**Front (L –R):** Maanshika, Shristi. P, Kelera (Year Prefect), *Miss Sharma and Mr. Singh* (Year Teachers), Vedant, Anushka, Ashie, Shivli, Anjana

**The Year-End Form Report for Class 10-05**, Class of 2024, provides a delightful glimpse into the vibrant and unique nature of this class, known school-wide for its unforgettable personalities and spirited characters.

The class was guided by two distinct yet complementary form teachers. Mrs. Nand, a balanced educator, seamlessly blended kindness with firm discipline, earning admiration and respect from her students.

Her composed presence and air of authority inspired good behavior without the need to raise her voice. Her structured yet welcoming classes motivated students to instinctively align with her high standards. The phrase, “Mrs. Nand is coming,” often prompted a flurry of activity as the classroom transformed into an organized space with students focused and prepared.

**Front (L –R):** Nirtisha, Shruti, Mihir, Petero, Meri (Year Prefect), *Mrs Taginasedrau (Year Teacher)*, Saimoni (Year Prefect), Josese, Noel, Ashlin, Yvonne.

**Middle (L –R):** Chaya, Antrisha, Joshika, Jessica, Timaima, Vayshaali, Rishvi, Divishka, Riya, Supriya, Ria, Akansha.

**Back Row (L –R):** Manshika, Harsita, Joana, Sorovesi, Ana, Wainikiti, Alberta, Losalini, Hannah, Luisa, Alvira, Mishall, Tanisha.

**Absent:** Lice, Michelle, Petaia.

## **A Fairytale Classroom: The Enchanting World of Mrs. Taginasedrau’s Class**

In the heart of our beloved school, Mrs. Taginasedrau leads the vibrant classroom of 11-01, home to 39 remarkable students - 33 girls and 6 boys - each contributing their unique stories and personalities, woven together like a fairytale tapestry. The noble form captains, Saimoni and Meri, guide their classmates through every adventure, while the “brain box” duo, Akansha and Mishall shine brilliantly with Mishall’s radiant smile bringing joy to all.

Antrisha, the extrovert, and Isabelle, an avid BTS fan, add modern magic while Shruti’s beauty and Petero’s enthusiasm for netball inspire everyone. Among the bookworms, Joshika dives deep into stories,

Timaima dreams in her imaginative world, and Chaya’s kindness makes her a cherished friend. Vayashali diligently manages her Home Eco duties, while Rishvi is always ready to lend a helping hand. Known as the “Tagimocia flower,” Luisa graces the class with her unique charm and gentle spirit, brightening everyone’s day.

Best friends Supriya, Ashlin, Nirtisha, and Tanisha navigate the school year hand in hand, while the trio of Riya, Divishka, and Michelle enchant the class with their charisma. Jessica delights her classmates with delicious lunches, Mihir remains an eternal optimist, and Petaia’s presence adds a touch of intrigue.

Ria’s peaceful nature complements Yvonne’s vibrant energy, while Noel, like a modern-day “Batman,” quietly observes from the shadows. Alvira fills the room with delightful fragrances, while Harisita listens eagerly to her stories. Manshika, who often drifts into dreams, earns the affectionate title of “Sleeping Beauty.” The new girl, Joana, is adored by many, Sorovesi’s confident voice rings clear during

Math class, and Wainikiti’s melodious singing creates a joyful atmosphere. Hannah balances maturity with a childlike spirit, Alberta’s favorite phrase, “Warai,” brings laughter, and Ana showcases her volleyball skills with pride. At the heart of their activities is Josese, the local sportsman, inspiring his peers with his athletic talent. Losalini harmonizes the group with her infectious laughter, fostering an atmosphere of joy and camaraderie. Lice is always near the whiteboard, making her presence known with her enthusiasm.

Together, these students create a lively and supportive environment where intelligence and creativity flourish. As the year unfolds, they continue writing their magical stories, proving that the bonds formed in this classroom will last a lifetime.

In this enchanting realm of learning, friendship blossoms, laughter echoes, and the true magic of education shines brightly. Year 11-01 extends their heartfelt wishes for a Merry Christmas and a prosperous 2025!

**Front (L –R):** Shyneel, Veeral, Aarav. D, Taraivini (Year Prefect), *Mrs. Loata* (Year Teacher), Timoci (Year Prefect), Rishal, Yash, Alexendra

**Middle (L –R):** Nandika, Amisha, Deepshika, Vibhavri, Elenoa, Dipshika M, Adi Kulailagi, Chloe, Maritina, Mere, Bhoomika

**Back Row (L –R):** Aaron, Ritvik, Nathan, Archie, Ilaitia, Josua, Christopher, Shivam, Rainal

**Absent:** Reeyansha, Viliame, Khausal, Disha, Prisha, Ma’auga, Aisake

**“Education is our passport to the future, for tomorrow belongs to the people who prepare for it today”.**

**This is the motive for Year 11-02.** Our lovely teacher is Mrs. Loata Vananalagi she is in-charge of the form and the class captains Taraivini and Timoci are her little helpers. Dipshika, Amisha, Maritina and Adi Kula are the brainboxes of this form. Vibhavri, Yash, Prisha and Christopher are the anime masters.

Khaushal and Viliame are the class gangsters who are constantly called for counselling. We have Josua, Archie and Rishal who patrol the corridors given any spare time they have. Aisake and Mere are our musicians while Aaron, Shyneel and Shivam love to entertain everyone.

Disha is our mysterious girl who is mostly missing in action. Reeyansha and Bhoomika love being the lively queens, while Nandika is ready to be their courtier. Chloe and Elenoa are the class angels. Alex is the class athlete while Ritvik is the philosopher. Rainal is the class photographer and Aarav is a warrior that could survive the battlefield. Deepshika is a quiet girl who always pushes herself to do her best. Veeral looks angry on the outside but is chill in the inside. Ilaitia is our gentleman while Nathan is the quiet but cheeky one. Ma’auga the class Rotuman chief.

Despite going through difficult times Year 11-02 is ready to tackle the obstacles of life and achieve the fruit of success.

## YEAR 11-03

**Front (L –R):** Jennisha, Anamika, Vanshika, Roshika Rishab C (Year Prefect) *Mrs Doreen Kumar* (Year Teacher), Bhavishna (Year Prefect), Aashiyan, Saloni, Shirani.

**Middle (L –R):** Yuvneet, Pranay, Darshil, Prerna, Aanvi, Esita, Snehal, Bhavika, Kulvir, Neetij, Lorenzo, Shamal.

**Back Row (L –R):** Sakaraia, Aryan, Etuate, Radrick, Rishab P, Aseri, Ayush, Emosi, Peni, Suhaan, Oliver, Gaurav, Ilisoni.

**Absent:** Pita, Asthuti

### **Every Family Has a Story to Tell: Welcome to Ours**

Meet the excellent form teacher, Mrs. Doreen P. Kumar, the heart of our class and the best any form could wish for. She plays a crucial role in creating a positive atmosphere and is dedicated to each student's success. Her nurturing guidance fosters a supportive environment that holds our royal family together.

Bhavishna and Rishabh are the next best authorities after our form teacher. Rishabh, the mathematician, is a bit mischievous at times but possesses an opinionated personality, effortlessly balancing being quiet and talkative. Bhavishna, though short in stature, is confident and tough, with a strict personality that helps maintain discipline in the form.

Neetij and Kulvir are the inseparable duo, always engrossed in discussions about gaming and soccer. Then there's the mysterious Radrick, who studies hard but modestly claims

he hasn't prepared for exams yet consistently comes first. Our class comedian, Etuate, keeps everyone entertained, while our trio of laughter, Aseri, Ratupeni, and Illisoni, ensures there's never a dull moment.

Aashiyan, the beauty queen, stands out with her unique qualities. Bhavika, Vanshika, Prerna, Aanamika, and Aanvi form a close-knit group, often lost in their own dreamy world. The queen of TikTok, Snehal, may miss school often, but she's always ahead when it comes to social media trends. Shirani, on the other hand, is the dependable one - always approachable and ready to help.

Asthuti's creativity shines in Home Economics, while Saloni captures hearts as our local singer. Samal, Darshil, and Suhan are usually found joking around in their favorite corner of the classroom. Roshika, unique in her own way, has a tendency to jump to conclusions before fully listening, making her stand out.

Aryan, full of charm and soccer skills, is kind to those who treat him well. Jennisha and Esita form a

mischievous pair, always cooking up something playful whenever they are together. Pranay, Ayush, and Oliver bring boundless energy to the class, preferring action to sitting still.

Gaurav, though mischievous, is always ready to help anyone in need. Sakaraia is our active player, while Rishab Prasad is the "khas khabre" (hot topic) known by every student and teacher. Lorenzo is both smart and naughty, skillfully blending brains with fun. Yuvneet is the quiet observer, and Emosi, though disciplined and kind-hearted, occasionally finds himself in mischief because of his generosity.

Each student has contributed to making this year unforgettable. As we look forward to the next academic year, we carry with us the lessons learned, the friendships built, and the successes celebrated. Year 11-03 is not just a class but a family, united in spirit and ready to embrace new challenges, reach greater heights, and create even more memories.

Here's to another amazing year ahead—keep shining, 11-03!

**Front (L –R):** Amish, Aarav, Shivanjali, *Mrs. Inzaad Begum Khan (Year Teacher)* Bhavishna (Year Prefect) Shidhant, Avishaal.

**Middle (L –R):** Taanvi, Selina, Veniana, Heather, Melania, Kelera, Nitanya, Angel.

**Back Row (L –R):** Bhavni, Timaima, Maria, Elesi, Kelerayani, Monika.

**Absent: Girls -** Asinate, Tanya, Siteri, Atelaite, Lavenia. **Boys -** Krish, Parnesh, Krishav, Rahil, Kartik, Nimilote, Raymond, Darsheel, Shashwat (Year Prefect).

## Ahoy There! Embarking on the Academic Voyage of 11-04

Welcome onboard the ship of 11-04, ready to set sail on a unique academic journey! At the helm, we have our esteemed captain, Mrs. Khan, who acts as the anchor of our ship, keeping us united and steering us towards success on this exciting voyage. Supporting her are our trusty quartermasters, the form prefects Bhavishna and Shashwat, who ensure smooth sailing by managing day-to-day tasks with precision and care.

Now, let's meet the hearty crew of the 11-04 ship, working together to hoist the sails of knowledge and chart a course toward academic success. First, we have Taanvi and Bhavni, inseparable like two peas in a pod, standing by each other through thick and thin. Siteri, our trilingual queen, impresses everyone with her fluency in English, Hindi, and Fijian. Shivanjali and Bhavishna shine brightly, like two stars in the same constellation, their friendship as luminous as their personalities. Angel, known as Triana Davis, amazes all with her soccer skills.

On the other side of the deck, we have Rahil, Krishav, Parnesh, and Krish, united by their shared passion for high-speed thrills in the world of "Formula 1." Tanya and Nimilote make rare appearances at school, showing up once in a blue moon, while

Monika is forever lost in her storybooks, and Lavenia drifts through her own wonderland. Selina, Veniana, and Kelerayani keep the ship lively, cracking funny (though often irrelevant) jokes.

Darsheel claims to be allergic to school but somehow never misses PE classes, and Heather and Kelera, our adorable duo, remain inseparable. The volleyball stars Atelaite, Maria, and Elesi form an excellent trio, while Asinate earns the title of "Sleeping Beauty" with her ability to nap for hours. Pretty Melania captivates everyone with her dazzling Colgate smile.

Next, we have the adventurous trio of Aarav, Avishaal, and Shidhant - our three musketeers always ready for an escapade around the school premises. Rachel, sleek and stylish like a model, adds grace to the crew. Kartik's laughter is infectious, often funnier than the jokes themselves. Amish, Shashwat, and Raymond share a strong bond, though they are often caught bickering over the most random topics. Meanwhile, Timaima can usually be found busy styling everyone's hair.

And so, we conclude this vibrant introduction to the brilliant and unique minds of 11-04. May the rest of the year be as smooth as a ship gliding through calm waters under a starry sky! Arrrr!

**Front (L –R):** Manasvi, Jessica, Krishad, Nazreen (Year Prefect), *Mrs Razia R. Kalim* (Year Teacher) Asvin (Year Prefect), Kanishk, Ashmita, Abigail

## **Welcome to the world of Friendship, Growth, and Learning**

Education is not merely about the knowledge we acquire, but the experience and values we carry forward, long after the lessons in the classroom are forgotten. It's a great pleasure that we introduce the remarkable individuals of our class, united under the guidance of our dedicated form teacher Mrs Razia Kalim.

Our class is composed by unique personalities, each contributing to the lively and vibrant atmosphere. Leading us are our two capable captains, Nazreen, who ensures discipline is maintained by preventing students from wandering out of class, and Asvin, who is always refining his supervisory skills.

Among us, we have Asena, a true

bookworm and Abigail, who, though quiet, is a pillar of strength in the classroom, supported by Anushka, Priyanshu, Ashmita, and Nainsha. Senimelia and Michaline are ever busy teaching their classmates conversational Iṭaukei, contributing to our cultural exchange and camaraderie.

The lively spirit of the class comes from the exuberant trio of Kriteshni, Vainavi, Aditi, Manasvi, and Radha who are known as the “Hum Saath Saath Hain” group keeping the class informed about the latest news. Jessica, known for her playful nature, often teases Bhavish and Vishant, moving to Aarush P, he quietly demonstrate his brilliance, earning them the nickname “the silent killer” In matters of friendship and fun, Anshul and Swapneel are always together, especially during economics classes, while Arav, also known as “Alpha,” can be found deep in conversation with his bench partner, Arush C. Our entrepreneurial spirit is personified by Yashvir, who is famous for selling Marimas during breaks. Kanishk, our

Assistant Head Boy, is also admired for his technological prowess, earning the title “Computer Teach.”

In the realm of accounting, David and Krishad are known for frequently receiving “blessings” from our teacher, while Ronav and Shraneel keep the class entertained with their light hearted roasting sessions. Finally, we have Mihir, the class's very own superman, always ready to bring energy and enthusiasm to the group. Together, we form a close-knit community, where every individual plays an integral role in shaping the collective spirit of our class. Our friendships, diverse backgrounds, and shared experiences make each day a memorable adventure.

As we continue this journey of learning and growth, we take pride in the bond that unites us and the unique qualities each student brings to our class. We celebrate the diversity and unity that define our classroom, looking forward too many more moments of fun, laughter, and learning.

## Year 12-01: A Form Like No Other

Year 12-01 - a form unlike any other, filled with hope, laughter, and a touch of craziness. Led by the one and only Mrs. Rahida Ali, the best form teacher any class could hope for. Tough yet sweet, caring, and undeniably funny, she is the heart of our form. Supporting her are the formidable duo, Meredani Dikoko and Dylan, who have steered the form through challenges, taking the blame when needed and giving credit where it's due.

Now, let's take a journey into the mysterious classroom of Year 12-01. This is a place where students hail from all walks of life, spanning Suva to Nausori. Starting with the unbreakable trio: Susana, the quiet one; Daniel, the cheeky one; and Tanushree, who loves to playfully tease her classmates. Vedika is the class's math and physics whiz with a brilliant mind. Ateca and Marama, affectionately called our "sleeping beauties," are known for their love of naps, while Prisha is always eager to learn and explore new ideas.

Our aspiring Fijian soccer star, Kretesh, never stops talking about Messi. Dylan and Avinay often drift into their own world of thoughts. Adi Kavunono believes

peace begins with a smile, while Aishal is always smiling and Esther captivates everyone with her cute smile. Vania, the soft-spoken one, adds a gentle charm to the class. Meanwhile, Loata may look innocent, but she's the class's boxer! Seini has perfected the art of arriving late, especially to avoid Chemistry class.

Harishma, Shreya, and Yashna are our wonder women, brimming with energy and enthusiasm. Rohan, our Physics genius, has the solution to every problem, and Meredani ensures everyone follows the rules and regulations. If you think you haven't seen two pretty best friends, then visit 12-01 and meet Ayushi and Suhani. Riyansha, addicted to books, prefers to work independently, while Nilisha and Nishika are two best friends who excel together. Litiana is the entertainer who takes charge whenever the leader is on a break. Amenatave has a special fondness for Religion classes, always bringing a thoughtful perspective.

As we come to the end of our journey, we would like to extend our heartfelt gratitude to all our subject teachers who have supported us throughout the memorable year of 2024. Year 12-01 wishes everyone happy holidays, a Merry Christmas, and a prosperous New Year. Here's to another year of success and togetherness!

**Front (L –R):** Litia, Priyansha, Tannistha, Rachael (Year Prefect), *Mrs Ratubola* (Year Teacher), Reenal (Year Prefect), Shellyn, Ulamila, Kaliti

**Absent:** Kuru, Poasa, Vinayak, Jattenesh

## ***Our form is ruled by the queen herself, Mrs. Amelia Ratubola,***

who has always showered us with unconditional love and support. Assisting her are our amazing form captains, Rachel and Reenal, who work tirelessly to keep the students disciplined.

Our class is filled with unique personalities. Jainez is famously known for his “Jagnesh and Plyboard Industry,” while Anav always jokes about having a lifeline of only four days. Laksh, affectionately called “the milkman,” never fails to make us laugh. Priyansha is our pioneer of fungus, and Shellyn amazes us with her expert knowledge of Nakai (mussels).

Tannishtha and Divyash often find themselves indecisive about whether to eat bhindi (okra) or baingan

(eggplant). Jaswindar Singh, our famous carrot farmer, is a cherished member of the group. Alison is humorously referred to as the owner of “Alsan Supermarket,” while Taireem, the silent killer, surprises us with his quiet confidence.

Manav, fondly nicknamed “Elvin ke Manoj,” brings his charm to the class. Reenal and Vinayak are each other’s strongest supporters, with Vinayak’s breakdown van often helping deliver Reenal’s shattered cakes. Epeli can’t seem to resist the word “Gorgeous,” and Sailasa and Jaron are famously known as the “Blade Couple.”

Aiyush’s obsession with the song “O Maahi” knows no bounds, and Pritesh proudly takes the title of our WWE champion. Rishal is the dedicated caretaker of the poultry shed for ducks, while Ranish, known as “The Door Man,” adds his unique flair to the group. Animesh stands out as the fearless captain of the Titanic

boat, and Rishek never misses an opportunity to advertise “Janola.”

Jattenesh impresses everyone with his ability to camouflage like a stick, and Kuru, who appears only once a month, keeps us guessing. Rachel, also known as “She-Man,” amazes us with her ability to play dual roles. Kaliti, our comfy bear, and Litia, humorously nicknamed “Bigfoot” or “Lishek,” bring warmth and fun to the class.

Ulamila, our three-legged spider, is a source of endless amusement. Poasa, our tough girl, inspires strength, while Kameli, the innocent NPC (non-playable character), always manages to charm us with her simplicity.

As a class, we started as one and will end as one. You will always be in our hearts and forever in our minds. The memories of Form 02 will live on forever!

## **“Education is the most powerful weapon which you can use to change the world.” – Nelson Mandela**

Bula Vinaka! Welcome to the 03 family. Let us introduce our Director, Mr. Ajineshwar Bhan, who is always ready to lead us to our academic destination, accompanied by his right and left hands - our form captains, Japheth and Tuliana, who are ever prepared to tackle any obstacles that come our way.

We are a batch of 32 students, each contributing to the vibrant dynamic of our class. Starting with our brainbox, we have our Deputy Head Girl, Amrita. Deepasha and Nishita, the inseparable duo, are always busy eating and can't go a day without bickering. Sukritah, our laughter queen, fills the classroom with her infectious joy.

Shreya is our dependable rescuer, always there when we need her. Mahima, the kind-hearted soul of the class, delights us with her unbelievably delicious baked treats. Shanvi, Reesha, Esha, and Vanisha form the playful and talkative gang, while the notorious gang includes Alumeci, the loud one; Laniana, the attractive one who's always found

in the canteen with Makitalena; Venina, the open-minded and sweet girl; and Tuliana, the athletic sportswoman and champion in netball, soccer, and volleyball.

Shreeya and Niharaika are bench mates - quiet but surprisingly feisty when needed. Valisha spends her time looking into her mirror, asking Kriti if she looks nice, while Kriti stares outside the class. Shayril lives in her world of books, frequently disturbed by Risha, our class chatterbox. Nishal goes around asking, “\$1 hai?” and Trishan is the soccer-crazy fan.

Akash is often absent but makes an appearance to play PE and annoys his neighbor, Jayesh, who is known for his umbrella and smart humor. Japheth stands out as the responsible one in the group, while Ropate, our Deputy Head Boy, earns the title of the sweetest and the bossman of the class.

Shoneel is the car enthusiast, and Laksh is the one everyone jokingly calls the “legit rich guy.” Vincent is physically present in class, though his mind seems to wander elsewhere. The gaming duo, Ashrit and Akhil, share great skills in gaming and brotherly camaraderie.

We have shared countless memorable moments together as 1203, and this bond will always remain etched in our hearts. These memories will never be forgotten.

**“Take pride in how far you have come and have faith in how far you can go.” – Christian Larson**

This is our second year together as a form, and we are truly grateful for the journey we have shared. Over these two years, we have formed an unbreakable bond that transcends the boundaries of time and space. While we may not have everything figured out yet, we have faith that each of us will find success in the future.

Year 1204 comprises 21 students, with 10 pursuing Commercial subjects and the remaining focusing on Arts. Our form is primarily made up of 17 females and

4 males. Our dedicated year teacher is Mrs. Veibataki, and our capable year captains are Molimao Foraete and Arishul Prasad.

Throughout the year, the students have continuously strived for academic excellence through commitment, teamwork, and hard work. While there have been minor distractions and challenges, we have supported one another in pursuing our shared goal: a 100% pass rate. Our form’s mission statement, “Together – we can make,” reflects our belief in the power of unity and collaboration to overcome obstacles and achieve our academic aspirations.

Education is indeed a powerful weapon that has the potential to change the world. We are thankful for the opportunity to be educated at this prestigious institution and to

be shaped by dedicated teachers who go above and beyond for their students.

We would like to take this opportunity to express our heartfelt gratitude to our form teacher, Mrs. Veibataki, for her unwavering support, positivity, and motivation. We also extend our thanks to all our subject teachers for their invaluable investment in our learning journey.

Last but not least, we are deeply grateful to Bhawani Dayal Arya College for believing in us. We hope to make the school proud one day through our achievements.

May we all have a Merry Christmas and a Prosperous New Year!

## Firstly, let's take a moment to appreciate Mr. Anirudh Kumar

for not only tolerating us but also for being such an exceptional guide throughout our journey. Now, the moment you've all been waiting for - the crazy adventure of exploring 12-05!

This class is made up of enthusiastic crack heads that often lose their minds while diving into the world of "business tactics." Among us are four rare boys - Rishab, Manuv, Kavryl, and Arnav - true "game freaks" who find themselves navigating the chaos of being surrounded by 19 girls. Together, they make our class a hub of endless fun and laughter.

The Crazy Gang includes six vibrant personalities: Vishali, the local rapper; Sharanika, the "sick head"; Alisha, who is known for her horrifying laugh;

Shruti, the "sadness queen"; Sesta, the dramatic "innocent" creature; and Ranjal, our class's savage.

Next, we have the daydreamers - a group whose heads are often in the clouds: Renisha, the most imaginative one who enjoys writing; Daksha, filled with artistic and creative ideas; Astha, a poet who flows her thoughts onto paper; and Pragati, the emotional support and muse of the group.

Then, there's the "Lalala" and "Okokok" duo: Rahila, a passionate dancer, and Simran, the sentimental one.

We also have the self-isolated group: Shanya, Sneha, Adarshini, and Raksha, who enjoy each other's company but can be a bit of a nuisance when they step outside their circle.

Not to forget the iconic trio: Natale, the rebellious one; Tiere, the calm and mature one; and Abigail, who is the perfect mix of both.

Lastly, we want to thank all our subject teachers for their patience and for bearing with us.

We hope you enjoyed this glimpse into the unforgettable world of 12-05!

Akash is often absent but makes an appearance to play PE and annoys his neighbor, Jayesh, who is known for his umbrella and smart humor. Japheth stands out as the responsible one in the group, while Ropate, our Deputy Head Boy, earns the title of the sweetest and the bossman of the class.

High school was a wild ride, but with a crew like ours, every twist and turn was worth it!

## Welcome to our sitcom called "1301."

This is probably the first play in history where the main character, Mr. Sila, delivers iconic lines like, "I still have to collect your home-life forms" and "Laugh with your mouth closed." We're still working on that, Sir!

Then there's Adi, the eldest (youngest) character, just struggling to be 17 (oops...18). Shreya would kill for One Piece of Luffy - iykyk. Shaniya simply breezes through numbers, scoring full marks while the rest of us struggle with basic formulas.

As for Darsh, we'll always wonder when his life will bloom because, apparently, he's still in his "kharab time chale" phase. Tepora and Asena are our "Marama Dina's," radiating their unique aura (1000+). Jeremiah, our Ustaadji, will memorize the entire script of Heeramandi but struggle with definitions in biology and chemistry.

Rashika is fiercely independent and

won't change her mind - if she wants to eat, she'll eat, alright! Ever been curious about someone so smart yet clueless? Meet Nivriti, and you'll know. Hats off to Ishita, who's always in her "I'll do it tomorrow" era. Anandita? We can't say much because "Shush! Nani sun lii!" Arnav seems like he was born in the wrong era—he's the kind of guy my grandma would keep a picture of under her pillow. I guess that explains why he's so interested in grandmas! Elizabeth and Sneha may argue to the point of slitting throats, but deep down, they're best friends. Crystal is undoubtedly the form's most outgoing person.

Tanish is a gym rat whose cheat day happens to be every day. Just kidding, Tim Tam is on a strict diet! How can being the tallest person with the best view be a disadvantage? If you're blind like Praasna, then it is. Grace only cares about two things: her hair and her so-called muscles. Olivia, She's known for her undying love for the song "Raataan Lambhayan."

Khrishnant could start a whole new dictionary with his unique vocabulary. Ashmita is an open book, while Mitali remains an intriguing mystery - spooky. Mishal is delicate, so you might wanna go extra on the "handle with care." Divkesh is destined to be Fiji's next big businessman, and Aryan will always be

our "Susi" guy (the real ones know). Jessinta, the girl of many adventures, will test your patience if you wish to know her better. Keroy? She's a roast queen - but the catch is, she ends up roasting herself. It's a unique skill, you know. Neha is the supportive friend, mother figure, and venting buddy all rolled into one. Apenisa is the form's child, the reason behind all our smiles. Finally, there's Yashita (Debz), who lives in the delusion that "ONE DAY" she'll grow. Delulu is the solulu!

Did we graduate? Yes! Grown up? Well, that's still a work in progress. We'll surely miss every little moment spent at BDAC, our second home. Special appreciation to our former Principal for his unwavering support and faith in his chemistry students - we miss you, Sir! A huge thanks to all our teachers who guided us through this journey.

We are who we are because of you. This is all from the family of 1301, wishing you a blessed Christmas and a very prosperous New Year!

## We've come a long way

since the first day we walked through the gates of Bhawani Dayal Arya College. From nervous little juniors to confident seniors, we've grown into the individuals we are today. This final chapter has been filled with unforgettable memories, challenges, and personal growth. We've laughed, learned, and supported each other through tough times, forming a strong bond that will forever define our time here.

Each day began with the warm and encouraging smile of our form teacher, Mrs. Reshmi Chand, who has guided us throughout our academic journey. Our 13-02 family is a perfect blend of 13 wonderful ladies and 11 amazing gentlemen.

Deepsha is the go-to person, always friendly and willing to help those in need. Diya, the artistic soul, creates art as beautiful as she is. Tejel is our mini Rapunzel, envied by all the

girls for her long hair. Ashika may be introverted but becomes very talkative when she's with her close friend Deepanjali, whose brightest smile shines whenever she feels shy. Jiya and Malvika have been best friends for as long as anyone can remember, and their bond is inseparable. Akansha carries herself with confidence and always stands up for what is right. Revika is well-mannered and exudes kindness wherever she goes. Ria, also known as Kirpal, is a lively chatterbox who gets along with everyone effortlessly. Jenica, our star girl, has the ability to excel at any task she takes on. Shinal is a spirited and curious individual, always eager to try new things. Lastly, Manvindar is the dedicated writer of our form report each year.

On the boys' side, Rodrick stands out as the short king and a true gentleman. Nidhish is the programming prodigy of the group and could easily become a hacker someday. Aaron is notorious and often acts on his intrusive thoughts. Aryan, whom we fondly call

Chetty, is a little shy and introverted. Adarsh, known for his good looks, humorously refers to himself as the "silent killer." Kavya impresses everyone with his incredible driving skills. Shaheel prefers to mind his own business but often gets blamed for things he hasn't done. Reeshap is a child at heart who still loves his toys and cartoons. Dhruv, usually serious, surprises everyone with his hilariously bad jokes. Yash, the newest member of our form, already feels like a part of the family. Ravneel, with his adorable smile, has a special way of spreading happiness.

This year marks the end of an unforgettable chapter in our lives. We cherish every moment we've shared and will carry these friendships and memories into the next phase of our journey.

Here's to the Class of 2024—this is not the end but the beginning of something extraordinary.

**Absent:** Salanieta, Anisha, Mansi, Dhristy

### Year 1303 - 32 Bright Sparks

This lively bunch of 32 students brought joy, laughter, and creative chaos to every school day! From giggles in reading circles to high-fives during classes, this class has shown that learning can be fun, fearless, and full of personality.

With every twist and turn, their form teacher was always there, showing them light in one way or another and guiding them to become their best version. Michelle, Anisha, Kristeen, Prerna, and Rayshal are the ultimate chat buddies! Their lively conversations add so much energy to the room, and they're always sharing smiles and stories with friends. Leone is always in the middle of a good book, diving into new stories and inspiring classmates to love reading too. Leone's curiosity and imagination shine through in every lesson. Tanisha, Nishika, Samantha and Mayank keep things interesting with their playful competitions.

They always challenge each other, creating a fun and positive spirit in the classroom. Grace and Sera have

a knack for getting everyone excited about class events! They're always "promoting" new games, activities, and even ideas for snack time. Kelvin, Devansh, Inia, and Josevani, our speedy running champions, are always full of energy and turn every recess into an adventure with their creative hiding spots. Dhristi and Ayeshnia are the snack-time stars, always bringing tasty treats and inspiring everyone to enjoy snack breaks. They're the true foodies of the class! Lynette, Filo, and Shivanshi are the peaceful presence in the classroom.

They bring calmness and kindness to every activity, creating a nice balance in the lively environment while Litia, Sala and Ema are the real quiet ones. Bulou is always trying to handle things, whether it's helping with classroom tasks or assisting friends. Bulou's helpful and caring nature is appreciated by all. Levani, Anare, Adi, and Grace each have their own spark that brings joy to the class! Levani's laugh, Anare's stories, Adi's big ideas, and Grace's friendliness make every day brighter. Arisal and Pranav are always up for an adventure.

They work well together, bringing creativity and excitement to any

project or game they take on. Rishneil is the go-to helper in class. He's always there when a friend needs a hand and makes sure everyone feels supported and encouraged. Josevani is the class running champion, winning gold after gold with dedication and speed. His passion for running inspires everyone and adds a competitive spirit to the group!

This class has been such a delight to teach. Each student brought their own unique qualities to the classroom, making it a place of laughter, learning, and friendship. Watching them grow has been a true joy, and they've made this year unforgettable.

Here's to more happy memories and a bright future for each one of these amazing students!

**Year 1304 has come a long way,** and this year's journey reflects their determination, resilience, and remarkable growth over the past three years. From their early days as eager learners to the seasoned students they are today, they've taken on every challenge with an admirable spirit.

Their path wasn't always easy - each year presented new hurdles and deeper learning demands. Yet, through late nights, group discussions, and countless hours of study, they faced every obstacle with courage and a strong sense of purpose.

Throughout their time, they've excelled not only academically but also in developing the maturity and discipline required to succeed. This final year has been one of the most challenging, with each student pushed to the peak of their potential. Year 1304 showed an impressive level of commitment, supporting one another and striving to meet the expectations set before them.

This class leaves a legacy of hard work, camaraderie, and academic achievement. As they prepare for their final exams, they stand ready to embark on new adventures, confident in the foundation they have built. Their growth over these three years is a testament to their dedication and the supportive environment fostered at our school.

To Year 1304, we thank you for inspiring us all, and we look forward to seeing the bright futures that await you.

FIJI, TEACHERS, CHILDRENS DAY CELEBRATION

This year's participation in the FMFIQ Active competition was a significant achievement for BDAC, showcasing the talent and dedication of our students. Our journey began in the preliminary rounds, where BDAC was successfully selected among the top 16 schools, ranking 8th on the list—an excellent performance against strong competitors from various schools.

In the following rounds, BDAC faced formidable opponents such as ACS and AOG. Despite narrowly losing these two games, the team showed remarkable perseverance and determination, constantly learning from each experience. Our hard work paid off when we secured a victory against Saraswati, a testament to our team's growth and resilience.

Throughout the competition, our students gained valuable knowledge across various subjects, including Commerce, Social Science, Mathematics, and more. They developed important skills like teamwork, quick thinking, and effective communication. The opportunity to compete at such a prestigious level allowed them to broaden their horizons and appreciate the value of academic competition.

I would like to take this opportunity to express my sincere gratitude to the IQ Active support team and the school administration for their unwavering support throughout the competition. Their guidance and encouragement were instrumental in the success of our team. The enthusiasm and resources provided by both the school and the IQ Active organizers ensured our students had the best possible environment to learn, grow, and excel.

In conclusion, this year's IQ Active competition was a successful and enriching experience. The students not only performed well but also walked away with a deeper appreciation of intellectual camaraderie. They have grown individually and as a team, and are eager to bring this experience into future endeavors. We look forward to continued success in the years to come.

## Riddles

- I speak without a mouth and hear without ears. I have no body, but I come alive with the wind. What am I?

**Answer – Echo**

- What creature is smarter than a parrot?

**Answer – A spelling bee**

- I am not alive, but I can grow. I don't have lungs, but I need air. What am I?

**Answer – Fire**

- I run but never walk; I have a bed but never sleep. What am I?

**Answer – A river**

- What breaks yet never falls, and what falls yet never breaks?

### FAREWELL TO BHAWANI DAYAL ARYA COLLEGE

In the halls of BDAC, where dreams took flight,  
We gathered like fireflies, igniting the night.  
Laughter and lessons interwoven with care,  
Each day a new chapter, our hearts laid bare.

The ticking of clocks marked the rhythm of time,  
Echoes of friendship, our hearts in rhyme.  
From sunlit classrooms to libraries' embrace,  
We carved our own stories, each moment a grace.

Beneath the golden sun, we chased after dreams,  
Found solace in whispers, in laughter and schemes.  
Through trials and triumphs, we stood side by side,  
In the tapestry woven, our spirits abide.

Now the farewell bell tolls, each hug bittersweet,  
With memories like petals, drifting at our feet.  
We'll carry the lessons, the wisdom we've found,  
In the heart of our futures, this love will abound.

So here's to BDAC, our sanctuary bright,  
Where we learned to spread wings, took flight into light.  
Though paths may diverge and the seasons may change,  
In the spirit of our youth, we will never be strange.

With ink on our hearts, we'll write stories anew,  
Thanks to Bhawani Dayal, we've discovered what's true.  
With every goodbye, there's a promise to hold,  
In the warmth of our memories, forever consoled.

**ODE TO OUR GUIDING STARS**

In the haven of BDAC, where we learned to soar,  
Our teachers stood tall, opening wisdom's door.  
With patience like oceans, and kindness like sun,  
They nurtured our dreams, each challenge we'd run.

They spoke through the lessons, both gentle and bold,  
With words like soft lanterns, their stories retold.  
In every correction, in every embrace,  
They shaped us with courage, taught us to face.  
From history's whispers to math's intricate dance,  
They sparked in our hearts the power to chance.  
Each late-night endeavor, each paper we penned,  
Carried the echoes of time they could spend.

When shadows of doubt would creep close at night,  
Their belief in our futures would guide us to light.  
With hands that would guide and hearts that would cheer,  
They made the impossible seem perfectly clear.

As we stand at this junction, our paths now unfold,  
We carry their teachings, more precious than gold.  
In the journey ahead, we'll cherish their part,  
For they've planted the seeds in our ever-growing hearts.

So here's to our teachers, both brilliant and wise,  
The pillars of courage, the stars in our skies.  
With gratitude swelling, we honor each name,  
For the love they bestowed is our burning flame.

As we close this chapter, our voices unite,  
In the halls of BDAC, their love shines so bright.  
With every new step, let us honor and learn,  
In the spirit of growth, it's their wisdom we'll earn

**Yashita (1301)****CHERISHED TIMES**

In crowded halls, we laughed and played,  
Moments shared, never to fade.

A smile, a hug, a secret told,

Friendship's warmth, worth more than gold.

A simple glance, a knowing smile,

Together we walked each winding mile.

Through silly pranks and late-night talks,

Our friendship bloomed on empty sidewalks.

Through each passing bell, a new chapter began,

We shared whispered hopes, and we crafted our plans.

In locker room banter or late-night confides,

Each friendship a treasure that deepens and tides.

We painted our worries with colors so bright,

In the canvas of chaos, we found pure delight.

With inside jokes echoing under the stars,

We learned that together, we'd weather the scars.

So here's to the ages, to the bonds we have made,

To the heartstrings of youth, in their vibrant parade.

With courage, we journey, hand in hand through the strife,

For high school's true treasure is the gift of our life.

### यज्ञ द्वारा वैज्ञानिक महत्व

जिस तरह जल बिना शरीर की पूर्णतः नहीं होता है वैसे ही यज्ञ बिना समस्त विश्व अपूर्ण है। यज्ञ द्वारा पूरे ब्रह्मांड की शुद्धता होती है। हमारे आस पास कितने ऐसे जीर्ण किटाणु हैं जिसको हम देख सुन नहीं सकते। यही किटाणु कितने ऐसे हिन्सक बीमारी के जन्मदाता हैं जो व्यक्ति को अन्दर ही अन्दर खा जाता है अतः मनुष्य मृत्यु की शय्या पर चला जाता है।

यज्ञ से हम जो यज्ञाग्नि में घृत सामाग्री को श्रद्धा के साथ आहुतियाँ डालते हैं। अग्नि अपनी शक्ति से इसे सुक्ष्म बनाकर वायु को प्रदान कर देती है। वायु इन्हें बादलों को सौंप देता है। बादल उन्हें बर्फ के रूप में पृथ्वी को और पृथ्वी उन्हें प्राणिमात्र को सौंप देता है। इस प्रकार यज्ञ अग्नि, वायु, जल, पृथ्वी अन्नादि सभी को शक्ति प्रदान करता हुआ विश्व के लिए कल्याणकारी सिद्ध हुआ है।

श्रीमद्भागवत गीता के अनुसार के अनुसार यज्ञ के द्वारा हम अपने इन्द्रियों को वश में कर उस सच्चिदानन्द के स्वरूप से परिचित होते हैं।

पिछली बार जब हम लौतोका में भाषण प्रतियोगिता के लिए गए थे तब हमें वहाँ एक अयुरवैदिक चिकित्सक मिले जिन्होंने हमें यह बताया कि यज्ञ के सुगंध लेने से दर्मे की बीमारी से मुक्ति मिलती है। वेद का प्रचार - प्रसार चार ऋषि अग्नि, आदित्य, अंगीरा तथा वायु ने किया और यजुर्वेद के अनुसार स्वाहा शब्द उस परम पिता के लिए है जिसका न कोई रूप है न अकार अर्थात् निराकार के लिए है। इसका तात्पर्य है प्रत्यक्ष वेद मंत्र युक्त वाणी जो सभी को शिक्षित करता है।

जब आहुति हवन कुण्ड में डाला जाता है तब प्रत्येक हव्य के लिए स्वाहा शब्द का उच्चारण होता है। स्वाहा केवल आहुति ही नहीं लेकिन जब अंग स्पर्श के लिए भी स्वाहा कहा जाता है कि हे प्रभू हमें भ्रम तथा माया से बचाकर तथा रोग आद से दूर रखना।

स्वाहा का अर्थ है सत्यवाणी, सत्य किया जिसके उच्चारण से वाणी में शुद्धता आती है। केवल अग्नि होत्र के लिए नहीं अपितु यजुर्वेद के अध्याय ग्यारह/सत्तावन में मकस्या शिरः असी का अर्थ है जिस घर में दैनिक यज्ञ होता है वहाँ सभी लोग सुख समृद्धि से दीर्घ काल तक जीते हैं। यदि घर का मुखिया इस कार्य का सहर्ष संचालन करे तो तो घर के छोटे से छोटा सदस्य भी हर्षानादितइस कार्य में भाग लेगा। कहा जाता है कि शरीर का नियन्त्रण करता है वैसे ही घर का मुखिया पूरे परिवार का संचालन करता है।

जैसे ईश्वर ने जल, सूर्य और वायु का निर्माण किया वैसे उनहोने हमारे हित के लिए अग्नि का निर्माण किया। बिना अग्नि प्रज्वलित कर हम कोई भी धार्मिक कार्य को नहीं कर सकते।

ऋषि मुनियों के अनुसार आज जो महामारी जैसे कैंसर, तपेटिक (T.B) आदि, सभी प्रदूषण के कारण हो रहा है। यह केवल

मानव समाज ही नहीं लेकिन पूरे प्राणी मात्र कके लिए एक चुनौती है। लोग पश्चिमी सभ्यता को अपनाते हुए अपनी संस्कृति तथा धर्म का खण्ड खण्ड कर रहे हैं। जहाँ पहले जन्मदिन, दीक्षांत समारोह (graduation) वया वर्ष हवन और वेद मंत्र के साथ शुरू करते थे वहीं अब दिस्को आदि अपना रास रंग चढ़ा रहा है। इससे न तो व्यक्ति का कल्याण होता है और नही समाज का।

मर्यादा पुरुषोत्तम राम और योगीराज श्री कृष्ण अपने दिन चर्या का आरम्भ यज्ञ के द्वारा ही करते थे। महार्षि दयानन्द सरस्वती इस आधुनिककाल में एक बार फिर यज्ञ के महत्व पर प्रकाश डाला। आज यहाँ बैठे सभी लोगों को उस महान दिव्य संत को धन्यवाद देना चाहिए जिनके कारण आज हम यज्ञ को कर तथा करा सकते हैं। नहीं तो आज यह केवल सिमित लोगो तक ही रह जाती। आज हर घर में पाँच यज्ञ का होना अनिवार्य है।

सर्वप्रथम यज्ञ है ब्रह्म यज्ञ याने धर्म अर्थ कर्म मोक्ष के मार्ग पर चलते हुए प्रभू से शक्ति की याचना करना।

दूसरा है देव यज्ञ देनेवाले के प्रति धन्यवाद अर्पित करना

तीसरा है पितृयज्ञ वीवित माता पिता और गुरुजनों की सेवा करना

चौथा है अतिथि यज्ञ अतिथि सेवा जिससे ज्ञान, उपदेश और मार्ग दर्शन हो

पाचवा है बलिवैश्य देव यज्ञ असहाय निर्बल, दुखी लोगों की सेवा करना

आज वैज्ञानिक भी यज्ञ के महत्व को समझने लगे हैं तथा उनका मानना है कि यज्ञ के द्वारा प्रदूषण से मुक्ति पा सकेंगे। हवन से मन प्रसन्न रहता है तथा प्रकृतिक सुन्दरता में भी चार चाँद लग जाते हैं।

यहाँ तक मृतक प्राणी के शरीर को भी वेद मंत्रों द्वारा जलाया जाता है ताकि पाँच तत्व का यह शरीर वापस अपने स्थान चला जाए और हनव से वातावरण को शुद्ध किया जाता है।

गुरू

जीवन था अन्धकार मय मेरा

एक कदम आगे बढ़ने को डरता था मैं

समेटे पंख अपना उचे आसमान से डरता था मैं

क्या होगा मेरे जीवन में, जिन से डरता था मैं

मिला सहारा मुझे और हुए होसले बुलन्द मेरे

जहाँ डरती थी मैं चलने से अब उचे उड़ान भरता हूँ मैं

हुआ यह बदलाव कैसा कूद थी अचम्भित मैं

अब बोलते हुए सकुचाता नहीं मैं

प्रकाश से निखर गया जीवन मेरा

मिली सफलता जीवन में आगे बढ़ने में मेरा

धन्यवाद है ऐ गुरू मेरे

आप न होते तो मैं गुमनाम कौने में लुप्त हो जाता

सूर्य की तपिश, और चन्दा की शीतलता ।।

दोनों में आपका वातसल्य छुपा ।
